Announcement

Message from your Deacons:

Beginning Sunday, June 13 and after getting feedback from our church leadership, staff and members along with reviewing all the latest details and statistics about corona virus from our county, state and CDC, your deacons have decided to no longer restrict choir or congregational singing here at Zoar for any events on our campus. This was the final restriction from our Health and Safety plans implemented early in 2020 to protect everyone.

Of course, some church members, guests or visitors may want to continue to wear masks, physically distance or not make physical contact for a variety of good reason. This is expected and optional for anyone and will be respected here at Zoar. We do love our neighbors more than we love ourselves! Amen!

Your deacons want you all to know we appreciate your feedback and cooperation during this past year plus as we all have had to endure lots of changes and health threats during this pandemic. We will continue to be very active and alert to any potential future threat from the corona virus so that we can take quick action to restore any or all health and safety measures needed as we have been doing.

In Christ,
Your Deacons

We are also in need of as many volunteers as possible!!! If you are available we would love to have you come and join us.

Thanks! Brittneye

Thank you all so much for your continued support of the Shelby Middle backpack ministry. This year we were able to help 10 families with a steady food supply for the weekends. This ministry is so important. No child should ever wonder where their next meal is coming from and

because of your generosity this year, they didn't have to worry. I am forever grateful.

The backpack ministry is on hold for the Summer but will kick back off in August. If you have not participated in the past and would like to get involved please email brittneye@zoarchurch.com and I will get you on the donation list.
