From Church and Grounds:

We are about to begin the approved remodeling of the Youth House beginning on Jan 11. Our plan calls for working on Saturdays from 8 am to noon until we complete all improvements.

These improvements include building a foyer (about 10' x 12') on the first floor where the clothes closet and Creative Ministries are now located. Both of these ministries will remain where they are now. Beginning with the foyer, then the stairs leading to the basement and the basement where the youth will relocate, we will replace ceiling tiles, upgrade lighting to LED, new paint, new doors, new trim and new flooring including the basement restrooms. We plan to replace the stained ceiling tiles on the first floor and replace bulbs as needed. Let us know if you have any questions.

Volunteers are needed to help beginning Jan 11. We think about 4 each Saturday. A sign up sheet is on the display case for sign up, please include your phone number. We hope to finish in March.

More funds are also needed to furnish the basement with furniture and appliances plus other items. We have \$12,000 approved for this construction which will cover the initial cost only.
