RUN, HIDE, FIGHT is an effective message for us all to know and plan for in the event your personal safety is at risk wherever you may be, home, shopping, traveling, vacation, school and yes even at church. A handout will be available on RUN, HIDE, FIGHT at church this Sunday so pick up one and read it and make plans for your personal safety no matter where you are at by being alert in your surroundings and be prepared to respond.

The news reminds us frequently of the threats but we can easily become complacent because we think not here in the pleasant city of Shelby. By now you have probably heard of the shooting at UNC Charlotte campus and just a few days ago another shooting in a synagogue in Poway, California.

God hears our prayers and responds when we do pray so pray for safety for country, out state and our city. Pray for safety for our churches. Pray for healing of all the victims of recent violence, for peace and comfort for the families and pray for those accused of evil deeds as Jesus expects us to.

Your safety is our concern as well and you can take comfort in the fact that your deacons are taking action to ensure your safety while on campus. Security teams are active and in place at Zoar every Sunday and on alert during any event at Zoar. Recently we installed two security cameras for every one's safety and the deacons approved the purchase of two additional cameras after realizing the value of the video and real time alerts this security system sends out to our security leaders.
