

Zoar Church,

We are roughly 10 days away from the kick off of our 2019 VBS. Did you know that one quarter of all people reached by any given church are reached through VBS? More specifically did you know that at Zoar church last year we had 52 children attend VBS? Many of those children were visitors and from those 52 children we gained one family and at least one child (that we know of) accepted Christ! These are amazing statistics! How does God's family grow?? One salvation at a time. How does Zoar church grow?? One family at a time.

We are so excited for this year "ROAR at Zoar!" We have so many fun crafts and activities planned. The children that come to Roar have the opportunity to see the Bible come ALIVE! This year during our Bible adventure time the children will not only hear about a story from the Bible but they will get a chance to participate in that story! We asked you months ago to begin to pray for those children and volunteers that are participating in Roar and we ask that you continue to pray. Pray that those children that come to Roar will hear and feel the presence of God in a mighty way. Pray that our volunteers know how much we appreciate them and that they know how valuable they are to not only us but to God's kingdom. Without our precious volunteers we could not do what we plan to do.

How you can help:

Our budget this year and a few donations has covered all expenses thus far. We have been able to purchase curriculum, craft needs, decoration needs, and giveaways for the children. Our last and final purchase we need to make is for food for the week. We would love to be able to feed the children more than just a small snack while they are here at Zoar. We want to make sure that every child learns about Jesus, has fun, and doesn't go home hungry. In order for us to do this we are asking that you prayerfully consider making a monetary donation to VBS. All donations given will go directly to the purchase of food for VBS and any leftover money will roll into the children's ministry fund to be used at a later time. If you would like to donate to VBS you can drop a check/money in the offering plate on Sunday with a "VBS" notation or see myself or Regina. We thank you in advance for all of your prayers and your support.

In Christ,

Brittnye Lee
