### MESSAGE FROM YOUR MISSION ACTION COMMITTEE:

This month we focus our attention on giving in support of the North Carolina Mission Offering. Please pray for the Baptist on Mission organization, volunteers and impact on the people they help. Every penny of every dollar you give goes toward buying material that support projects, 100%. Please give generously. Envelopes for NC Missions offering are on the cabinet just inside the breezeway door.

## Community Health Assessment

### From Katie Harris, GCCBA:

Today, September 1, is the kickoff day for the 2023 Cleveland County Community Health Assessment to identify current and emerging health issues in Cleveland County. Leadership for the assessment is provided by the Cleveland County Health Department as part of the local health department accreditation process and also as part of the Consolidated Agreement with the NC Division of Public Health.

Conducting a community survey is part of the assessment process. This year's survey was developed by a Core Oversight Committee composed of community representatives and meets the standard requirements of the Division of Public Health. Survey responses are confidential. Survey results will be compiled into a document set for publication in early 2024.

There are two ways to participate in the survey: first, you may choose to complete the survey electronically by going to the following link:

<https://www.surveymonkey.com/r/ClevelandCounty2023HealthAssessment> or by completing a paper survey available at various sites throughout the county. We have also attached a PDF format for the paper survey should you choose to print one for yourself. The survey is open from September 1 through September 30, 2023.

Individuals who complete a survey are eligible to enter a drawing for incentive prizes which this year include a \$750 Amazon gift card, two \$500 Amazon gift cards and four \$250 Amazon gift cards. Winners will be chosen using a computer-generated random number computer program and will be notified on or about November 15, 2023.

We encourage your participation in this survey – we need to know what you think about the health of Cleveland County and about what needs to be done to improve the health status of residents. If you have questions or concerns about the survey, please contact Anne Short at

[Anne.short@clevelandcountync.gov](mailto:Anne.short@clevelandcountync.gov).

Thanks for your help in distributing this information!
