

**Children I-- Bible Learners (Grades 1-2)**

- This class is taught by Dawn Bradley and Alex Carroll.
- Curriculum: Lifeway Children
- Our goal is to assist parents in creating an atmosphere that will introduce children to discover, discuss and share the teachings of the Bible. Jesus said, "Let the little children come unto me." (Matthew 19:14) We look up Bible verses, play Bible games, sing praises to God, have Bible study, prayer time and on occasion a movie and popcorn.

**Children II--Kingdom Kids (Grades 3, 4, & 5)**

- This class is taught by Rhonda Newton and Becky Wright.
- Curriculum: God's Big Picture Book materials
- Kingdom Kids exists for children to learn to use their Bibles and how God teaches us to live through prayer and scripture. Our main focus is teaching the books of the Bible so the kids will know how to find their own scripture. We also focus on prayer and helping others.
