

Noah's Ark I (Ages Birth -1) and Noah's Ark II (Ages 2-3)

- This class is taught by Lynn Winecoff, Paulette Bradley and Amelia Poston.
- Curriculum: David C. Cook Preschool
- Noah's Ark I and Noah's Ark II provide age-appropriate lessons and activities so that each child can better comprehend God's love for all of us. It is at this young age that children develop a strong foundation in their Christian faith so that they will have a better understanding of our God given duties and talents as they continue to grow in God's love.

Preschool III (Ages 4-5)

- This class is taught by Sonda Hamrick and Bea Meacham.
- Curriculum: David C. Cook Preschool
- Our class teaches children about Jesus and His love for them by telling a story from the Bible each Sunday. The children are given examples of how they can take what they have learned from the story and use it in their daily lives. They learn how to pray and are taught a Bible verse for the month. We also give the children a time for crafts, play and activities where they learn how to get along with each other. Most of all, we show them Jesus' love.
