CHILDREN'S MINISTRY

Children's Summer Program—Each week the children will travel further through the Books of the Bible, learning about how God's Word changes us. It is a two-hour weekly event, from now through Aug 26. It is during both Sunday school and 2nd service (10 am to 12 pm). Parents do not need to pick up their children between Sunday school and second service for the summer. Children only attending during 11 am service should be brought to the children's area before the service begins.
