

## **Go Deep**

(Galatians 6:1-5)

1. Do you know someone who has been hurt by the church instead of helped by the church? What caused the hurt?
2. We're not dealing with Jew vs Gentile or black vs white with the example of Rosa Parks... but do people who have failed feel like second class citizens in church? Why?
3. Read Romans 12:2 and Titus 3:5 What (if any) is the difference between "restoring" in Galatians 6 and "renewing" in Romans and Titus?
4. Does seeing the person needing restoration as a "brother or sister" change our perspective? Should it?
5. How spiritual do you have to be to help someone? To be a part of their restoring process?
6. Does walking "in cadence with the Spirit" feel rigid sometimes?
7. What's the opposite of spiritual in this text? Can that person help restore?
8. How many times should we help / restore someone?
9. Is there a time when we should stop attempting to restore?
10. What does it look like to be restored with gentleness? What would not being gentle do?
11. How can we at Lockwood be a church of restoration?
