Many at World Gospel Church have been greatly impacted by Urbana. As the largest student missions conference in the world, Urbana offers a unique opportunity to find out how one's education, skills, and passions fit current needs in the world and how and where God is advancing His Kingdom.

The registration cost for Urbana, before November 15, 2018, is \$515. World Gospel Church's Global Outreach Committee encourages each college student engaged at World Gospel Church to attend Urbana by helping with the registration cost. To receive support for half of the \$515, students are to complete this application (found on World Gospel's website). Applications are to be submitted no later than December 14, 2018. Attach a confirmed Urbana registration form with the application. The Committee encourages each recipient of this support to provide a written report regarding the experience at Urbana.

Check out the Urbana video at [Urbana.org](http://Urbana.org). The first Urbana conference was held in 1946. Since then the Urbana conference has been held every three years.
