

January 24, 2021

Greetings, I trust you are well. Thank you to those who helped last Sunday morning and evening! I appreciate both your service and faithfulness.

Your singing in the Loft makes a significant difference in our services. Choir, ~~we~~ I really need your help in the Loft for each service. You singing with me is much better than me singing alone—in our auditorium, on our livestreaming, and on the Baptist Temple Hour. On Sunday, we will load the Loft five minutes before each service—9:25, 10:45 & 5:55.

Orchestra, we will rehearse on Sunday afternoon at 5:30. We will look at music for this evening and the next couple of weeks. Thank you for your faithful service each time we meet!

This week, several of our people celebrate birthdays. Send them card, email, text, or give them a call and sing “Happy Birthday.”

Kim Skelton – Sun, Jan 24

What would we sing if there were no songwriters? Have you thought much about the people who write songs? Rolling Stone has a list of the 100 Greatest Songwriters of All Time. Personally, I think they have missed a few.

Fanny Crosby is on record for having written 8000 songs. Bill and Gloria Gaither have over 700 songs to their credit. Seventy-five of the Psalms have David’s name on them. His music director, Asaph, wrote twelve of our Psalms. Solomon wrote two and Moses, one.

This morning I read the song of Deborah and Barak, recorded in Judges 5. I love the line in verse 3: I, even I, will sing unto the Lord; I will sing praise to the Lord God of Israel.

Thankfully, we have the song of Deborah and Barak, which tells of their trust in God, their action, and the outcome. If you decide to read the song, I encourage you to read Judges 4. It will give background for the song in chapter 5.

Thank you for your faithful service to the Lord in the ministry we share.

On the journey of 2021, trust God, serve faithfully, live with joy, and grow together in grace!

I look forward to seeing you on the Lord’s Day. It is a great joy serving as your minister of music. blessings!
