Greetings, I trust you are well. Thank you to those who helped last Sunday morning and evening! I appreciate both your service and faithfulness. On Sunday evening, you did a wonderful job with "We'll Soon Be Done with Troubles and Trials." Thank you very much!

Beginning this Sunday morning, we are rearranging the chairs in the Choir loft. Chairs are still distanced, just reconfigured to allow for a few more chairs. It will probably look better and provide better microphone coverage.

On March 7, our morning service times will change concurrent with the Sunday school relaunch. Service times are 9:00 and 10:30. Morning sound checks will be 8:35.

March 7, is also the day of our first of four 5:00 rehearsals for Easter Sunday. The current plan calls for us to rehearse distanced in the auditorium.

Easter is April 4! In case you missed it, our pastor announced services on Easter Sunday morning at 8:00, 9:30 & 11:00. In all honesty, our church needs a big day and they don't get any bigger than Easter. We desperately need to upset the status quo—mine, yours, ours and FBT's.

To make Easter a big day we need everyone who is able to do so to be in town, in church, and at your post of duty—Choir, Orchestra, Sound, Lights & Video. Choir, we plan for three songs that morning and we need your help. We will robe up on Easter—so ladies, you don't have to worry about a new Easter outfit. Guys, an old tie will work just fine.

On Easter, to provide for your safety and the safety of others, I am asking that you wear a mask from the time you enter the building until the time you are at your seat in the loft. After that, I will leave it up to you. After the services and between the services, please mask up.

On Easter, we need Sound three times. On Easter, we need Lights and Video three times. On Easter, we need Orchestra three times. On Easter, we need the Choir Loft filled three times.

To achieve the goal of filling the Loft three times, it will take commitment and it will take cooperation. I am asking for both from every member of our team. To use a sports metaphor, I'm just the coach and we can't win without every member of the team doing his or her part.

In the days ahead, I will provide a survey/sign-up for Easter so we can fill it up each time.

Now, please consider the big picture. 1. We do Easter to celebrate the resurrection of our Savior who died to pay the price for our sins, and rose again from the dead proving He is God. 2. We plan for special services because we place high value on the day and the opportunity to invite guests who may be more inclined to visit on Easter. 3. We serve with gratitude demonstrating our love and devotion to our Savior.

Honestly, the question should be, "Who wouldn't want to serve all day long?"

If you have questions or concerns, please let me know and I will do my best to address them.

Choir, on Sunday afternoon, please load the loft at any time. We will run through a Choir song at 5:45, and sing it next Sunday evening. You will find a copy of the music on the red library cart in the center of the Choir room.

Orchestra, we will rehearse on Sunday afternoon at 5:30. We will look at music for this evening and the next couple of weeks. Thank you for your faithful service each time we meet!

This week, several of our people celebrate birthdays. Send them card, email, text, or give them a call and sing "Happy Birthday."
