

WHAT YOU CAN EXPECT WHEN COMING TO A VGROUP:

VGroups are typically held in homes throughout the Blythewood community. A few are held on church grounds such as our Men's and Women's ministry VGroups. Our hosts are always warm and friendly, as are the VGroup facilitators! Some groups provide meals as part of their time together, others do light refreshments or desserts. Some groups do not do any food. But don't worry, nobody is expected to provide food when coming unless previously agreed upon!

The majority of our VGroups have childcare provided by the VGroup Sitters Club. We do this to eliminate the childcare factor so you can attend a VGroup! *This service is paid for through the church, so there is no cost to you!*

Meeting layouts vary according to the leaders, but generally there is a time of fellowship and food at the beginning. The leader will gather everyone together when they are ready to begin. There may be a short time of prayer to open the discussion. Our VGroups use a sermon study guide that is based on the sermon preached Sunday prior. No curriculum to catch up on - if you attended church then you'll know about the topic of conversation! It is our desire that through the sermon discussion you will prayerfully consider how God's Word really applies to your life so you can put it into practice through obedience!

Meetings typically close in prayer, the facilitator taking prayer requests from those present. Feel free to share anything going on in your life that you would like prayer for, or you can simply pass if you don't feel comfortable.

The VGroup is where pastoral care takes place. If you want a group of people you can count on to be there for you in difficult times you need to get plugged into a VGroup today! Your VGroup will become your second family, and before you know it you won't want to miss a meeting!
