

NOTICE REGARDING SERVICE VIDEOS

The service videos below may sometimes not be viewable. They are embedded using the livestreamed Facebook video, and occasionally - for some unknown reason - Facebook will block the transfer. Indications are that it is a copyright issue, something in the video that may be considered private, therefore not copyable. Please understand that this issue is beyond our control.

You are strongly encouraged to get a free Facebook account in order to view the videos. You are in no way obligated to use the platform for any other purpose.
