

LIVINGHOPE COMMUNITYCHURCH

COME AND SEE THE IMMEDIATE DIFFERENCE YOU CAN MAKE BY SERVING ON A LIVING HOPE TEAM.

SEE WHAT GOD CAN DO THROUGH YOU.

You were called to freedom, brothers and sisters; only don't let this freedom be an opportunity to indulge your selfish impulses, but serve each other through love. All the Law has been fulfilled in a single statement: *Love your neighbour as yourself.*

Galatians 5:13-14 (CEB)

KNOWING YOUR FIT

Now these are the gifts Christ gave to the church: the apostles, the prophets, the evangelists, and the pastors and teachers. Their responsibility is to equip God's people to do his work and build up the church, the body of Christ.

Ephesians 4:11-12a (NLT)

Which categories fit you best?

Individuals have the ability to understand how they can best help others around them because they know themselves the best.

*****Please note:**

As you go through this You should not see this as a have or have not equation, but rather a rating scale for yourself and church leadership to see how you would best contribute to the church. The bible tells us and I believe you have and can do all of mentioned below (1 Corinthians 1:7).

This explains the way that all people can draw, but not all are gifted and skilled artists.

Apostolic: Apostolic people would be a person that would be seen by others or see themselves as a person who likes to give clear direction. They are more action step driven than others.

Prophetic: Prophetic people would be a person that would be seen by others or see themselves as someone who has discernment to gauge whether or not we are in alignment or walking in obedience with God's plan. Apostolic and Prophetic balance one another nicely.

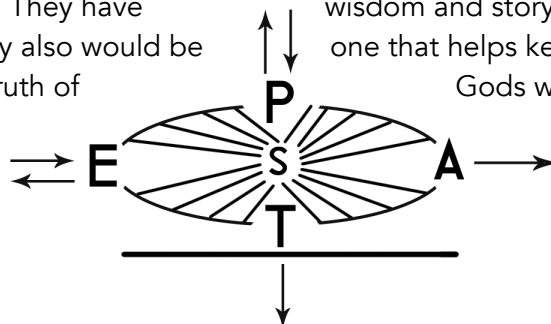

Evangelistic: Evangelists are people that are community champions. They love being out in the community. But they also love inviting people to church to hear the Gospel. This does not always mean that they are the ones that are always teaching about Jesus, but they believe Jesus is the answer and want everyone around them to think that too.

Shepherd: Shepherds are people who often are seen as caring about Unity, Clarity, and Working together in one direction no matter what the difference may be. They see themselves as cheese on the pizza making sure all parts of the body (teachers, apostles, prophets, and evangelists) are functioning together.

Teacher: A teacher often can see themselves and grow a person or group. They have that help improve others. They also would be things shared grounded in truth of

or others see them as one who is helping add to wisdom and story from the word of God and life one that helps keep any direction or prophetic God's word.
