In an effort to care for creation, no paper voting member materials will be available at assembly. Please bring your own paper copies (if desired) or a tablet/smart phone to access the documents electronically during the assembly. All documents are posted separately at www.eandsynod.org, so you can print whatever you feel is necessary. One printed copy of all voting member materials will be available for review at the Business Table in the Great Hall. You will receive a printed agenda at check-in.
