I am the pastor at First Lutheran church in Hoople. I was ordained and installed May 12<sup>th</sup>, 2017. I am recently married to Brady on May 30<sup>th</sup>. I love to hear how God is working in their lives. I love hanging out with my husband, my stepson, and our two dogs Samoset "Sammi" and Sarge. My passions beyond those of being a pastor are sports of all kinds, especially baseball, exercising and eating healthy, spending time with my dog, friends and family. My primary reason for coaching is to help people see that they are capable of finding ways to eat healthier and exercise more to be healthier leaders in the church. I would love to have conversations with you on how to be a healthier leader or any conversations that you may wish to talk about.
