Dear FBC St. Francisville,

Thank you donating the funds for LCIW to purchase new computers for the students. The students have needed new computers for several years. They are still using original computers donated in 2010 when the school opened. Your generosity will ensure that the students can continue their work without interruption and with excellence! Your sacrifice strongly communicates that these women are loved and their studies are valued. Thank you! May the Lord continue to smile on your faithful service!

Dr. Debi Sharkey*

FBC St. Francisville,

I want to thank the members of FBC St. Francisville for partnering with New Orleans Baptist Theological Seminary in the work God has give us at the Louisiana Correctional Institute for women. Your gift allowed us purchase computers that are essential for these women in preparing for the work God has called them to do. Their ministries and lives will be impacted through your giving.

Thank you,

*Cory Barnes
