"Hot Topics: Evolution"

Selected Passages

**Main Point: God created all living things according to their kind, and God uniquely created male and female in his image.**

Creationism requires *faith* in a unique, unreplicable event in which the *Creator* created everything (Gen. 1:1, 31).

- Evolution demands blind faith in a unique, unreplicable event in which *everything* evolved from *nothing*.

Creationism brings \_\_\_\_\_ to life:

Multiply, rule over creation, and trust and obey the Lord (Gen. 1:11, 14, 16-18, 22-25- 26-30; 2:16-17).

- Evolution requires the \_\_\_\_\_ of innate meaning in life.

God's Word is the lens of \_\_\_\_\_ to see \_\_\_\_\_ in the world around us (Ps. 119:105).

- The enemy \_\_\_\_\_ the \_\_\_\_\_ of the lost to keep them from seeing the truth (2 Cor. 4:1-6).
