1. "Faith" and "Welcome" - Saint Stephens United Church of Christ stands for many things in our community: first and foremost, faith; and second, what we say so often ... being welcoming to all. Because "No matter who you are or where you are on life's journey, you're welcome here."
2. Please tell us how being a member of Saint Stephens has impacted your faith and/or your faith journey. Tell us about something you heard or learned here that has had an impact on your life and what that impact is/was.
3. "Kindness" - At Saint Stephens, we also emphasize kindness. Being kind in a world that is often not kind. "BE KIND: for everyone is going through something you know nothing about." Tell us about a time you have taken that to heart and what that experience was like.
4. "Action" - Saint Stephens and the greater United Church of Christ also focuses on action. Doing something. Being that person who does something to change the community and the world around us, acting with faith and integrity, helping those who need help, and standing up for those who have no voice. Tell us about a time you've taken some kind of action, big or small, to help someone else or your community.
