

Today is camping Sunday. Please remember to put aside your **Canadian Tire Money** for Camp Christopher. Also Camp Christopher is looking for donations of **large tea towels** for their summer camp.

“Choose a Number!” We have envelopes available for the next two Sundays, marked with the numbers 1 thru to 150. Choose your favourite number and fill it with that same dollar amount. Make sure your name is on the envelope if you are not using a cheque. This is an exciting and simple way for us to head into the summer months, knowing we have given our very best to fund the mission of the SPUC. I also want to know why that number is meaningful to you. I chose #70 and #99. Lot 70 is the address of our family cottage on Georgian bay, and the name of our family group chat. Number 99 is of course my high school crush!! On behalf of Bob Schmidt, Treasurer and myself, thanks for playing! --**Rev Deb.**

The last Free Community Soup Lunch until fall is this Wednesday **May 29**. Everyone is welcome.

Big thanks to all the volunteers to help with SPUC garden!

June 2 - Rev Deb will be attending the first **Living Skies Regional Council Meeting** in Swift Current. Mitchell Anderson will be recognized and Ordained at the Celebration Service of Praise. We sincerely thank Roger Pilon and Mark Z for stepping up and offering the worship service that has been created for this Sunday for use across the Region. Keep us in your prayers and we continue to navigate our new structures.

Rock your roots - coming up on **June 21**, Victoria Park, 10am, come walk with the STUC banner.

We inhabit the land of TREATY 6. May we live in respect.

It only Takes a Spark!

“Hope does not disappoint” – this is what I firmly believe. God has poured love into our hearts through the Holy Spirit, and we are proof that Hope will never be silent.

We will be saved, ultimately by the LIFE of Christ (Rom5:10) for it is that life, that teaching, healing, ministry, death and resurrection that gives us the hope of new life. Paul is just in the middle of writing his Letter to the church in Rome, and his sermon is about Hope in Christ that is now for all the world, not just those of the Covenant, (Hebrew people) but that it is God’s desire that we all live in faith, because in Christ the bonds of sin and separation have been broken once and for all. How can we truly live and Easter People? People of the Resurrection? People deeply committed to living in hope? This is the work that we do together: Nurturing faith, understanding Reconciliation, seeking justice, caring for Creation. May our daily lives be filled with the Hope that does not disappoint us. May it be so for all.

Bedrock Belief: Faith in God gives HOPE

Scripture: Romans 5: 1-11

Seed of Learning: Scavenger Hunt

Go Project for Kids - Adventure Camp - Aug 26-Aug 30, Sponsored by SPUC, with leadership from the National Church and the Go Project. This is a week long day camp for elementary school aged children - with lots of off site activities and service projects, seeking to create spirit led young leaders for our time. Please talk to your kids, grandkids and friends, this is part of our Mission Matters 2019 commitment, and we need 15 children for this project to succeed. They can come from anywhere and from any background. I am thrilled that we are able to offer this to our community. Talk to me if you need more info.
