

# How Do I Connect with a Group?

We have a document listing our current groups. It is posted on our website, and is normally available in print form in the foyer of the Chapel By the Sea. This is a dynamic document. The reason is groups start at various times, and others may finish at scattered times through the year. Our hope and prayer is that the opportunities will multiply as more people see the possibilities and sense the leadership of God calling them to serve and shepherd.

You can go to [www.chapelbythesea.com](http://www.chapelbythesea.com) and look under the "Connect" menu, then the top menu "why groups?". **Then see this sentence four lines down:** "Go here to see a PDF document listing our life groups." Click the link on the word "here" to access the current group listings.

Or, under the same "Connect" menu, you can click on "life groups" for a description of each. When you click on the title of any group in which you are interested, you will be taken to a form. Use it to either inquire about or sign up for one of the groups.

You can also call the Chapel office at 345-4424. Or, call me at 268-0050 to find out information.

It would be exciting if you had on your heart a desire to begin to shepherd a group yourself. Let's have a conversation about that. I can help you with guidance, vision, and resources.

I am always open to talk to anyone, interested in leadership or not, about discipleship and life groups. Your suggestions and questions are welcome. There's a big picture and I'm happy to share it, whatever way it can be shared! I am not afraid of your questions.
