**Vision School** is a program where you will be awakened to the reality of God's purpose and heart for His people and all nations. The weekly lectures will impart the Father's heart for the unreached people group and open students' eyes to what God is and has been doing all over the world to advance His Kingdom. Chapel by the Sea will host Vision School for adults and youth beginning Sunday, September 30 at 4 pm in the Fellowship Hall.

**Please be in prayer for our expectant mothers:**

**Do you have what it takes to be the shepherd of a Life Group?** You might be more qualified than you think you are. We need more life group shepherds to help share the role of serving the kingdom of God by serving our people in discipleship. Talk to Pastor Ken to find out more. You likely have far more qualifications than you realize.
