

Dear Friends,

I hope you're enjoying this cooler weather and the beautiful colors of the season. Autumn is a great time to enjoy the outdoors for a while. That might be a hike, a picnic, or maybe enjoying a rocking chair on your front porch.

For our time together this month, we will meet at El Azteca Mexican Grill, 1817 North Locust, Lawrenceburg, for lunch on October 20th at 11:00 AM Dutch Treat. We have met there a few times before. The group seems to enjoy that restaurant.

The CLC is being used by a civic group on the day we were to have met. Debra and I are not able to carry through with the plans we had made for this month. But we have saved the idea for a fun activity at a later date.

It is wonderful to see more of you attending our get-togethers. I hope the group will continue to grow.

If you have an idea for a meeting, please share it with Debra or me. Some of you, who venture out and see new sights, may have ideas that Ever Young could explore. So long as an activity doesn't require a lot of walking, we might be able to check out your suggestions.

Now it is getting close to time for us to get ready for winter. As you know, that means being inside so much more. I hope and pray you will take care of what is needed for you to stay well and active.

**El Azteca Mexican Grill
October 20, 2026
11:00 AM**

Love to all,

Je
