Happy Father's Day

Father's Day is about being thankful for the man or men in our lives that stepped up and shouldered the responsibility of fatherhood for us. It is about recognizing the sacrifices that those men made to be a good figure in our lives. We are called by God to love our fathers and mothers every day, but this holiday is specifically to recognize the role and impact fathers have. As followers of Christ, it is about being grateful to our Heavenly Father for those men. I am so grateful for my dad, and I recognize I am so blessed to have him in my life. Not everyone has a man in their life that fills the father role in their life. However, we all have access to the love and grace of Jesus Christ. We can all unite in one Heavenly Father, and all be thankful to have access to His love and guidance.
