THIS ROW OF LABELS INTENTIONALLY LEFT BLANK

Dear Parent,

This month, we are learning that **Jesus is amazing**. Today, our Bible story was about how Jesus calmed a storm by telling it to stop. You can retell the story at home using the story text below and the egg shaker your child brought home. Your part is to emphasize the words "STORM" (shake the shaker) and "STOP" (stop the shaker) as you read the story. Your child's part is to do the shaking and the stopping. We hope you have fun remembering that **Jesus is amazing!**

STORY

Jesus and His friends were in a boat. It started raining and thundering and the wind was blowing really hard. It was a big STORM! Shake your shaker! Jesus' friends were afraid of the STORM. Keep shaking! They said, 'Jesus! It's a STORM! Help us!' Keep shaking. Jesus told His friends they didn't have to be afraid. And then He did something amazing. Jesus told the STORM to STOP (stop shaking)...and it did! It STOPPED! Wow! **Jesus is amazing!**
