Many people in our culture look at grandparenting primarily as an opportunity to make occasional fun memories with their grandkids. There's often little thought given to the idea of intentionally and spiritually pouring into grandchildren.

Join us for this 4-session seminar, as we examine what God says about grandparents and grandchildren. Rather than relying on personal stories and ideas alone, we will look to Scripture to explain the *what, why, who*, and *how* of grandparenting.

Who are these Grandchildren of Mine?

What is God's Plan for Grandparents?

How do I talk to My Grandkids about the Gospel?

Living a Legacy: How can I Live a Life Worth Following?
