Momentum does not make the guidelines a focal point of the week at Momentum Youth Conference. You will not hear us make a major issue of rules from the platform during sessions. Momentum realizes that families and local church youth ministries have varying levels of practices, guidelines and policies.

However, for the duration of the conference, we expect everyone to be on the same page with the following practices, guidelines and policies called "The Momentum Way"

Click on the following [link](#) or scan the QR code for a complete list of practices, guidelines and policies that were a part of the registration form.
