Pine Rest Church Assistance Program. Prioritizing sleep, nutrition, exercise, and self-care can strengthen your mental well-being and lower your risk of depression. While these healthy habits can lower your risk, symptoms may still arise. If you experience signs of depression lasting longer than two weeks, it's important to seek help from a professional. Visit pinrest.org/scheduling or call 1-800-442-0809 (press 1) and say you are a CAP member with Niekerk for free and confidential support.
