# *a letter from the pastor*

*"For I fully expect and hope that I will never be ashamed,  
but that I will continue to be bold for Christ, as I have been in the past.  
And I trust that my life will bring honor to Christ, whether I live or die."*  
Philippians 1:20 (NLT)

Here comes 2026! To say the past year has been eventful is an understatement. Stormy weather forecasts, unsettling national problems, assassinations, global conflicts and terrorist attacks marked the news cycles. For some, 2025 was a time of financial uncertainty. Others have faced the sorrow and separation of the deaths of loved ones. Last year showed how unpredictable life events are. Many of last year's troubles revealed how far from God our world has strayed and how desperate we have become.

The truth is 2026 will soon be here and unless Jesus comes again, we will still be living in a world of hurt. The change in the calendar will not change that. It is true as well that 2026 will also be a year of opportunity to honor Jesus. The change in the calendar won't change that either.

Remember, we are living before the One who knows us inside and out, who alone has the words of eternal life and who has promised to be with us always. A good thing about last year were the testimonies of our brothers and sisters in Christ that even in the darkest valley, Jesus was with them. They shared how He brought comfort, peace and hope. He continues to bring good out of the hard things of life. We can count on Him to be the same every moment of every day that comes to us in this new year.

We do not know what the future holds but this we know: *"This is my Father's World"* "...that though the wrong seems oft so strong, God is the ruler yet." And that truth is what freed the Apostle Paul to seek to honor Jesus at all times. He didn't know if he'd be released from prison or not, if he'd be allowed to live or be put to death. He simply did not know. But what He knew is God had begun a good work in his life and would carry that work on to completion. So, his big goal was to leave unknowing worry behind and to honor Christ in every part of his life.

What a goal for us in the new year! – that our lives will bring honor to Jesus. No matter what, He's promised to carry us through. Let's be faithful in following Him, in growing to know, love, serve and obey the Lord in all things.

Pastor John

# January Thank You Notes

Thank you for the many Christmas cards and birthday cards for Cal. We appreciate the prayers, the carolers who visited us, those who visit Cal, the meals that continue to be provided. We're blessed to have a loving family at Niekerk. Blessings to you all in the coming year.

Cal & Deb Schierbeek

Thank you for all the best wishes and cards for my 81st birthday. Your thoughtfulness is much appreciated.

Elmer Nyhof

Thank you for all the cards and best wishes for my 80th birthday. Your thoughtfulness is much appreciated.

Ivan Janssen

Thank you for the many prayers concerning my recent cancer diagnosis. Those prayers have been answered in wonderful ways. I will be having three radiation treatments after the first of the year. And after that just a few checkups over the next year or so. Praise to our great Healer!

Jean Tjarks

Just have to say thanks for so many blessings this Advent season! For those who worked with the children and put together the Christmas program done so well, thank you children! For the carolers that came to brighten my life. For cards, goodies, and expression of encouragement from dear people of all ages. Thanks again! Psalm 133

Stan Brandsen

One of the special highlights of this Christmas season was when the carolers came and sang for us. They were very much appreciated! Thanks also for the many cards and well wishes expressed along with the goodies delivered. A special thank you to our Heavenly Father for His special gift that came at Christmas but can be appreciated ALL year long.

Jerry & Elaine Brower

Thank you Niekerk family for the many cards and calls for my 90th birthday. Also to the carolers and for the many Christmas cards and wishes for Christmas. Very much appreciated.

Sid Staal

I have so much to give thanks for:

- Thank you for all your many cards and notes for this blessed season. You make it my joy!
- Thank you to all you "carolers" for stopping at my apartment! You made my evening!
- Thank you to our "flower committee" for making our church look so beautiful! You make my season!
- Thank you for all you Kiekerk "singers" each Sunday. What a joyous sound! You make my Sunday's!

Vern Hoeksema

A very sincere thank you for care and support given to each of us in many ways. It is appreciated. Bill is experiencing some positive results from the Vyvgart medication and will continue with the infusions-with a cycle of once a week for four weeks, then off for four weeks.

Bill and Carol Keen

# January Thank You Notes

How can I (we) thank you for all the prayers, thoughts, cards, and phone calls during my time in the hospital. It was a very scary time being so far from home and not sure what was wrong. But we felt those prayers, and were given the peace that only the Lord can give! We have such a wonderful church "family"!! *Peace I leave with you; my peace I give you I do not give you to you as the world gives. Do not let your hearts be troubled and do not be afraid!* John 14:27

Carol and Larry Smith

Dear Niekerk family,

We want to say a heartfelt thank you to each of you for all your prayers, love and care shown to Judy in her hip replacement surgery. Thank you to Pastor John and Maria for their encouraging visits, to all of you who provided delicious meals for us, and to those who sent cards. We were overwhelmed by your love and care and are blessed to be a part of the Niekerk family. God bless you. Thank you so much!

Mohan and Judy Chacko

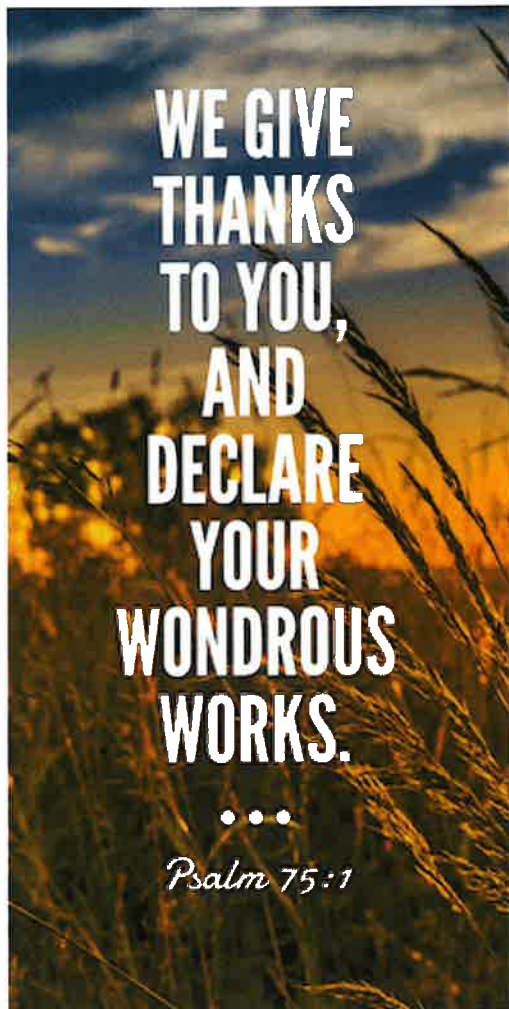

Thank you to everyone who served this Christmas season! Thank you to the decorators, to those who planned and practiced for the Christmas services, to the Sunday school children and their program and their leaders, the choir and their practices, the carolers, the children's messages, the sound and video people, cookie bakers, the pastors, the praise teams, and to those who cleaned up afterwards.

Thanks for sharing your gifts!  
It was noticed and appreciated!

December 1, 2025

Dear Niekerk Christian Reformed Church,

We've all seen those remarkable moments when animals care for one another—when the most unlikely creatures unite in simple acts of love and protection. There's something profoundly pure in those gestures, something that reminds us of the innocence of a child.

Christmas, at its heart, is about that same innocence—when a child bore the burden of humanity and brought light into a world shadowed by pain.

Because of your generosity, CAMO delivered 217,767 medical and educational services this year—providing care, hope, and dignity to thousands across Honduras. 492 volunteers and a team of 69 staff members gave their time and talent to make these life-changing moments possible.

As we close another year, I extend our gratitude for your compassion and commitment. You have helped transform fear into hope for countless families. Yet the needs remain great.

Your year-end gift ensures that CAMO continues to *bring light where suffering once lived*—through medical care, education, and community development that restore lives.

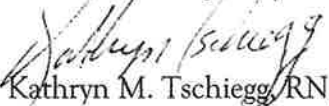

This year, that light shines through the story of Nohemi, a three-year-old who arrived at our shelter holding tightly to her mother's hand. Both had been beaten and were trembling with fear, seeking refuge. Despite her age, Nohemi was her mother's protector. She could sense when an epileptic seizure was about to begin and would gently make her way to our staff to warn them.

Soon we discovered that little Nohemi was nearly blind. Through the compassion of CAMO and the Robles Eye Clinic, her sight was restored. Her mother received the medical care and support she so desperately needed, and together, they began a new life free from abuse. Today, Nohemi lives safely with her aunt in a loving, stable home.

This Christmas, may the purity of a child's heart soften our own, transforming fear into hope and pain into compassion.

Together, let us keep being bearers of light in a world that still needs it so deeply.

With heartfelt thanks,

  
Kathryn M. Tschiegg, RN, BBA  
Founder & Executive Director

# CAMO AT A GLANCE 2024 – 2025

We have completed our 32nd year. CAMO's impact has been made possible by the generosity of donors, the dedication of our Honduran and U.S. staff, and the unmatched skill of our volunteers. Each person—whether giving time, talent, or resources—plays a vital role in creating tangible impact and remarkable outcomes. There is a story behind every life touched and every service delivered, proving that lasting change happens when people unite with purpose, integrity, and heart. Through this united effort, CAMO continues to sustain 81% self-support in Honduras, with the remaining funds provided by our generous partners. This year also marked the start of construction on our new 43,560-square-foot warehouse, a milestone that ensures continued growth and lasting impact for years to come.

# Happy New Year, Niekerk Family!

<https://lshelder8.wixsite.com/mission-updates>

I hope you all had a lovely holiday season with family and friends. I wanted to bring you in on where I feel the Lord is leading me as we head into 2026.

Some of you may have already heard, but I believe that God has asked me to take on learning Spanish as it will directly impact the ministry I look forward to being involved with. As you can imagine, there are a TON of options of how one might go about doing so. Since I knew I was going to be home at least through December, I went ahead and purchased a 3-month subscription to an online learning platform to get started. However, there is a reality to learning a language that requires you to be immersed in it as well as the culture.

So... I have been looking into options in which I can be immersed in the language and culture while also stoking the fire of passions God has put on my heart. While I was at Eagle's Nest orphanage in Guatemala, I heard about a couple Spanish schools and have done more research since. These schools offer highly intensive one-on-one learning experiences that are primarily conversation based while mixing in cultural experiences. The programs run on a week-to-week basis which allows for flexibility if the Lord directs me somewhere else while I am there. AND, it would allow me to volunteer at Eagle's Nest as well since the school I am primarily looking at is only about 20 minutes away (with public transport). As of now, I am planning on going to Guatemala in February/March to start studying Spanish and serving the Nest for about three months.

While all of this excites me, it also presents the real reality of truly stretching my wings and flying while trusting God to completely provide for my every need in a whole new way... which is a bit daunting. However, I am remaining confident, excited, and at peace because I have seen the Lord provide and the ways He has used so many of you in various ways to spur me on.

If you desire, here are two ways you can get more involved!

## **Prayer and lots of it!**

1. Increase in self-discipline specifically with spiritual disciplines
2. Continued discernment and a fresh yielding to the Lord
3. Wisdom in how to navigate fundraising in a new way
4. Holy connections — prayer warriors, encouragers, ministry opportunities, mentors, meaningful friendships
5. Eyes & ears to be opened and hearts to be softened to receive the good news

**Financially**, I am officially shifting from one-time goals to monthly support—outside of a one-time “start-up” need! Since I am stepping into full-time ministry, I will be solely dependent on individuals who are willing to financially partner and sow into what God is doing and where He is leading.

So, I am starting to build a community of people who are willing to support me long-term through monthly support and/or annual giving and would love to have you join in on what God is doing!

Start-up costs: \$3,000

Monthly Goal: \$3,500 Yearly Goal: \$42,000

Left to raise: \$2,816.67 Left to raise: \$33,800.04

You are all truly such a blessing. It is always a highlight for me when I get to come to Niekerk and see you all. Thank you for all the ways you have continued to love and support me!

If you are interested in getting more involved and/or learning more, please reach out via email and we can find a time to connect. (:

Blessings,

Heights of Hope partners with Circles, USA & Good Samaritan Ministries to offer Circles, an 18 - month national program designed to empower and equip families to move out of poverty and thrive. The method is intentionally, relational, and community-driven. It brings together people from all walks of life to support our Circle leaders and create change in our community.

Every Tuesday night **Circles** meets at our church. We support them with the use of the building. The program also provides the participants with a meal. If you are willing and able, consider providing a meal for these dedicated leaders and their support team. Scan the QR code to see what dates are available.

**After a disaster strikes, community leaders often scramble to organize an immediate response, providing shelter, food, and counsel for those affected.**

Without disaster recovery knowledge or experience, they rely on grit, determination, and compassion to guide them minute-by-minute, day-by-day as the recovery process unfolds.

While World Renew Disaster Response Services (DRS) restores homes and hope after disasters, we also strongly desire to empower local partners in their disaster recovery. Capacity building is an important part of our mission because it improves the partner's disaster preparedness and resilience in their own community. It gives attention to the people, resources, and networks that will be present long after DRS' response in a disaster-impacted community concludes.

This summer, the San Saba County, Texas, community experienced back-to-back flood events, washing out many roads and damaging over 100 homes. During a chaotic time in Texas due to the tragic Guadalupe River

flood, the staff at Hill Country Community Action Association (HCCAA) knew external help would empower their ability to assist their community.

Thanks to shared networks, HCCAA invited DRS to hold flood clean-up and mold remediation trainings for their Texan community. Because of our many decades of flood recovery work, volunteers started by providing training on safety and best practices. The following day, the group worked in two homes, demonstrating to the HCCAA staff and others how to remove debris, do demolition, scrub and sanitize affected areas of the properties, and spray shockwave to kill remaining mold.

One HCCAA staff member shared that DRS' training helped their team feel that they could handle the flood clean-up in their community. "For any mold regrowth we will encounter, we feel comfortable and confident about the clean-up process."

In the southeast region of the United States, DRS Regional Managers are leading Recovery Tools Workshops for new disaster recovery organizations. By attending these workshops, organizations like forming long term recovery groups gain confidence while receiving orientation to volunteer management, case management, an unmet needs process, financial management and grant writing, and more.

We are grateful that DRS volunteer leaders can utilize their industry skills and knowledge to build the capacity of many disaster recovery partners! So far, 400 participants have attended this workshop.

As Paul writes in 1 Thessalonians, God values our efforts to "encourage one another and build one another up." As DRS continues to respond to natural disasters this reconstruction season, thank you for joining us in support of local partners who make a lasting difference for those we serve.

## LIFE. The Other Choice!

One of the biggest misconceptions about abortion is that it is “reproductive healthcare”. The abortion industry will use the term “reproductive healthcare” and claim that abortion is an essential procedure to ensure women have access to appropriate medical care. The ONLY case in which an abortion is medically necessary, when the life of the mother is in jeopardy and the ONLY way to save her is to unfortunately end the pregnancy and is LEGAL IN ALL 50 states. A survey done by Human Life International found that, in the case of 2.4 million abortions only 1.14% were done to save the life of the mother.

Healthcare should always be used to improve the quality of life of the patient. In the case of abortion, there is ALWAYS the taking of a human life - this is the opposite of healthcare. Instead of finding a way to provide life-affirming care, abortion is used to terminate the pregnancy without having to spend any time or effort in increasing the quality of life for the woman and child. Abortion is promoted as “safe and easy” but several studies have shown that there are many physical and mental repercussions. ***The Ethics and Public Policy center published a study in 2025 showing that, of 865,727 chemical abortions, 10/95 of women suffered serious adverse effects like sepsis, infections, or ER visits. Another study by the British Journal of Psychology found the women who had an abortion were 81% more likely to deal with negative mental health; 34% more likely to develop anxiety, 37% more likely to have depression and 155% more likely to commit suicide.***

## Paige's Story...

Paige's story began in deep heartache and a prayer of surrender. Struggling with mental health, she asked God to reveal Himself—and He responded with a peace only He can give. Soon after, Paige discovered she was pregnant. "It felt like God was saying, snap out of it," she recalls. She answered with a silent yes, and chose a deep sense of purpose and conviction that is inspiring others.

With new resolve, Paige faced her unplanned pregnancy and began surrendering old mindsets to God. **Seeing her baby on the ultrasound, she recognized his humanity. That moment shifted her views from Pro-Choice to deeply valuing life in the womb.**

Through the Positive Options education program, Paige found hope and encouragement. "It can be scary," she says, "but there's no better place to go." Her journey is a powerful testament to God's redeeming grace—one that reminds us this Christmas of the beauty found in surrender and the life-changing hope of Jesus. May your heart be filled with that same peace and joy as you celebrate and cherish time with your family this holiday season.

## Stories of God at Work

This semester has been one of the most fruitful starts to a year we've ever had in ministry. The chapter is growing, people are coming to Christ, and students are thriving in their walk with Jesus. Enjoy these stories!

### New Life in Christ

We recently had Rick Mattson, an InterVarsity speaker who travels around the US, visit our campus for the week, answering tough questions and sharing the Gospel. We saw five people make decisions to follow Christ. Gavin, one of these students, shared how he had been confirmed in church but never really read the Bible or understood anything about it. He started reading through Matthew, spending most of an hour every night reflecting and praying on what he read.

Rick Mattson sharing the gospel with students at our weekly meeting.

### Commissioning New Leaders

Usually in the fall we have 2-3 new leaders step into helping lead small groups. This year we ran a special event to commission our new small group leaders because we had eight new leaders ready to go. The exciting thing is that most of these new leaders are starting entirely new Bible studies to reach friends that are not Christian or are totally unconnected with any fellowship on campus.

### Starting an Athletes Ministry at Bay College

During one of my visits attending Bay College, I sat at a table and randomly struck up a conversation with a basketball player. I found out that his name was Trevor and that he was a Christian. This past month I've been working with Trevor to launch an Athletes Ministry at Bay College. He's already found several believers to be a part of his core, and we have plans to do an event in January to extend an invitation to many of the other athletes on campus.

I feel like I should mention that our Football ministry at MTU is still thriving, with sixty plus players on the team attending and several players becoming Christians.

### Ways to Pray

- We have 27 MTU students attending Urbana right after Christmas in Phoenix. Many are eager to explore missions, so pray for God to meet them as they discern their calling
- Next semester starts January 5. We have a lot of plans for outreach in the early weeks, as well as a UP Wide Conference we are inviting students to Jan. 16-18
- Pray that God would raise more staff for the UP! We are thankful for how incredibly fruitful the work He is doing has been. But it is hard to cover everything with just two staff and there are many opportunities we have to pass on until we grow our staff team again.

Nick, one of our graduating students. Nick will start med school at MSU in the fall. He shared how a friend reach out to him while contemplating taking his life, leading to a thriving spiritual life the rest of his time at college.

# SHARE *The Word* CHANGE *Young Hearts*

Your support in 2025 helped 19,126 young people in Venezuela to study God's Word.

## Share the Gospel with Young People

For 87 years, Bible League International has believed that lasting change begins with a Bible—and someone who cares enough to share it.

One of our key ministry programs is helping young people to know their Savior, Jesus Christ. We provide hands-on Bible study materials that get kids and teens excited about Jesus. And we train leaders who guide them.

About 40% of those who studied God's Word through Bible League's ministry are children and youth. In 2025, nearly 690,000 children around the globe heard how much their heavenly Father loves them. Our new materials for children—the *Discovery Series*—have been instrumental in helping to engage more children in God's Word.

## God's Word Transforms Lives and Communities

Stacey, 12, lives in a slum area in Nairobi, Kenya. Like so many tweens trying to navigate the world and figure out their place in it, Stacey fell into the wrong crowd. She began to disobey her parents and cause trouble. She recalls, "I became a great burden to my parents and even to teachers in schools." Her parents were not believers, and she had never known about Jesus—until her school began using Bible League's materials in her classroom.

Through studying God's Word, Stacey understood she needed to change the way she was living and make better decisions. She beams, "While doing the booklet, I realized I needed to change by making the right decision of receiving Jesus."

Since then, Stacey has seen profound change in her life. She beams, "What I loved before, and thought was the best, I came to realize it's only being with Jesus that gives real, true life, joy, and peace."

*Continued on next page*

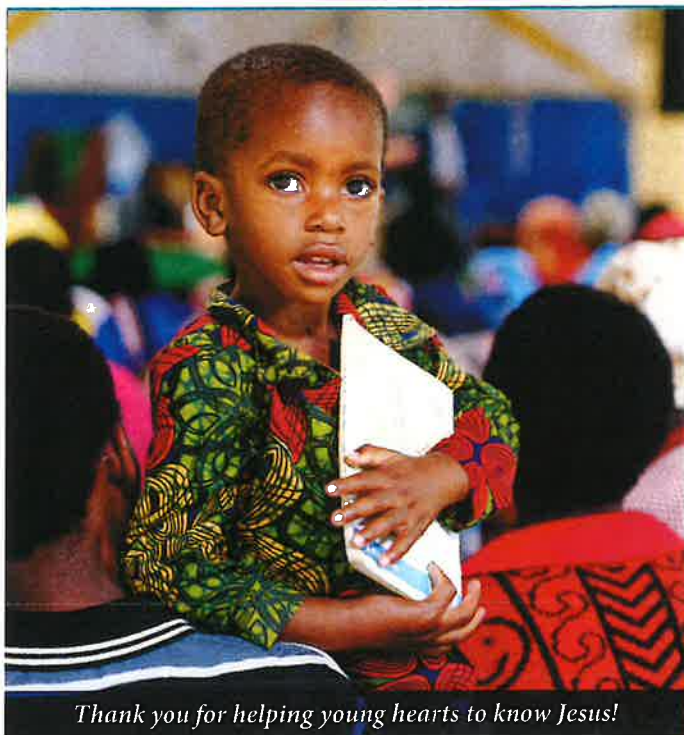

## God's Word Transforms Lives (*continued*)

She stopped hanging out with the wrong crowd, began going to church, and implemented prayer within her family. The young evangelist explains how they now pray as a family every morning before school and every night before bed. Stacey gushes, "This has brought great transformation in our home."

Stacey's story shows what's possible when you help a child know Jesus. Reaching kids with the love of Jesus creates a ripple effect throughout their families—and their communities. Thank you for your faithful support in helping to shape the next generation of Christ followers. You are a blessing!

## Prayer Requests

- Ask the Lord to transform Siyabonga's heart, a homeless young person in South Africa, who has been going through a Bible League Bible study for youth. He is now in a shelter and will continue with the Bible study.
- Hrachya, a 16-year-old in Armenia, is helping lead children's Bible studies at his church. May God bless him as he ministers to young people in his community.
- Please pray for the 105 children attending Bible League's Bible-based Literacy classes at a school in eastern India.

*Thank you for helping young hearts to know Jesus!*

## Join Others in Leading Young Hearts to Christ

When you join with the Bible League Volunteer Ambassadors, you're making an eternal difference in young hearts in at least 42 countries! Your gifts and heartfelt prayers provide Bibles and invaluable biblical resources that help young people know Jesus. Each \$14 you provide today has the power to root a child in God's Word. Young people are often more open to the Gospel and eager sharers of it. Through them, siblings, grandparents, and parents discover God's Word. Entire families transform. Thank you!

## FROM THE CHAPLAIN

Dear friends,  
As we enter this season of Thanksgiving, I'm reminded of the words of Psalm 107:1, *"Give thanks to the Lord, for He is good; His love endures forever."*

There is so much to be thankful for here, as God continues to move powerfully behind the walls of our jail. We've witnessed lives changed, prayers answered, and hearts softened to the truth of the Gospel. Each week, we see new stories of grace and redemption as men and women encounter the love and forgiveness of Jesus Christ.

I am deeply grateful for every volunteer, prayer partner, and supporter who makes this ministry possible. Because of your faithfulness, we are able to bring the light of Christ to people who desperately need hope.

Above all, I thank God for the privilege of serving in this mission field. We praise Him for open doors, transformed lives, and the undeniable evidence of His Spirit at work among the men and women incarcerated.

May this Thanksgiving be a reminder of His goodness, His steadfast love, and the great harvest He is bringing forth in our community.

## GOD IS TRANSFORMING LIVES

We rejoice to share that more men and women have accepted Jesus Christ as their Lord and Savior inside the Ottawa County Jail! Many others are being discipled and growing daily in their walk with the Lord. Each week,

we witness hearts softened, faith renewed, and hope restored. We give all praise and glory to God for the incredible work He is doing behind the walls of the jail!

## NEW LIFE GROUP

We are thrilled to share that a New Life Group has officially launched in one of the women's pods at the Ottawa County Jail! This is a tremendous answer to prayer and a beautiful example of God opening new doors.

The group meets on Monday mornings, Monday evenings, and Wednesday mornings, giving the women multiple opportunities each week to grow in their faith. They are currently studying The Gospel of Mark, Practicing the Way, Go in Peace, and Healing the Wounded Heart, each one helping them draw closer to Christ and experience His transforming love.

While there are still some limitations in what we're able to do, we are praising God for making this new group possible and for the faithful volunteers who lead, encourage, and walk alongside these women each week.

## ANNUAL BANQUET CELEBRATION

Our Annual Ottawa County Banquet was held on October 7 at Second Church in Allendale.

It was a beautiful evening of worship, testimonies, and heartfelt gratitude as we celebrated all that God has done through this ministry. Thank you to everyone who attended, sponsored, hosted a table, or gave so generously. Your partnership continues to fuel this life-changing work and make an eternal difference in the lives of those we serve.

## PRAYER REQUESTS

As we move forward, we are praying for continued open doors to share the Gospel and deepen discipleship opportunities within the jail. Please join us in prayer for the following:

**The Women's New Life Group-** that God would use these studies to bring healing and transformation, and the group would continue to grow as more women attend each session.

**The Men's Relaunch Program and Ongoing Bible Studies-** that participants would be strengthened in their faith and firmly grounded in the truth of God's Word.

**1:1 Conversations-** that God would give our chaplains and volunteers the right words to speak, and that His Spirit would break through powerfully, leading many more to Christ.

**Our Team-** that they would remain steadfast, encouraged, and refreshed as they serve faithfully each week.

**Continued Provision-** that God would supply every need through the prayers and generosity of His people.

The harvest truly is plentiful, and your prayers and support are a vital part of this ministry. Together, we are witnessing God bring forth an incredible harvest behind the walls.

## JAIL MINISTRY AWARENESS MONTH FROM THE ACTING DIRECTOR

Rev. Dr. Rick Eschenburg

You can find online calendars listing every "special focus" month of the year, but you won't see Jail Ministry Awareness Month among them. That's because three years ago JMAM was our own internal declaration, not through legislation or Hallmark, but from our deep love and passion for jail ministry.

- We wanted a special season to highlight the good that God does daily in the jails we serve.
- We wanted a time to intentionally recognize our chaplains and volunteers, highlighting their faithfulness to God as they serve the Forgotten.
- We wanted to help explain the difference between jails and prisons. Jails require a unique approach to bring the light and hope of Jesus into some of those very dark corners in our communities.
- We know that November is the start of our Thanksgiving and Christmas season, which can be a truly difficult time for those we care for in our jails. By dedicating JMAM, we prepare for *Christmas in the Jail*, a time of remembering those in jail with the simplest of gifts.

We invite you to not only stand with us financially, but to kneel with us in prayer. May God draw those far from Him near, and may His hope and healing be made real in Michigan's jails. ***Thank you for your faithful support, we cannot do this work without you.***
