Dr. Jeffrey Weima from Calvin Theological Seminary

6:40pm in the Sanctuary

This is a two part presentation that seeks to paint a more accurate picture of the man who wrote more books of the Bible than any one: the apostle Paul. The first presentation on Wednesday examines "*Paul the Man*" his early training and activities before becoming a follower of Christ, his conversion, his extensive missionary travels and work, and the traditions surrounding his martyrdom.

Dr. Jeffrey Weima is a Professor of New Testament at Calvin Theological Seminary, where he has taught for 34 years. Dr. Weima has published six books thus far, and also is the author of numerous scholarly articles and essays. Dr. Weima leads biblical study tours to Greece, Turkey, Israel/Jordan, and Italy. Jeff and his wife, Bernice, have been married for 42 years. They have four married children and eleven very cute grandkids.
