Women's/ Prayer Pastor

Can you believe it is 2019? Are you ready to grow? Connecting with others and growing as disciples are very important steps in our Christian walk. God wants us to grow and be more like Jesus. We have many events planned this coming year for women. Coming up soon on Saturday, January 26th, all women are invited to Heather Dunlap's home for coffee and a fun time for connecting with others. Connecting with others provides us with support and companionship with other Christian women who can help us grown in our walk with the Lord.

Do you want to increase your knowledge of the Bible! Do you want to have more confidence when talking to others about the Bible? We offer a great class, the Faith Bible Institute Class. It is starting up again on January 22rd. Visit our website to learn more or visit the class on the 22rd to see exactly what it is all about! It is six semesters of learning about the Bible and Theology. Most of all find a way to grow in your relationship with the Lord in 2019! Email me if you have questions, diane@gotochrist.com. Blessings, Diane

KidZONE Area Leader

The New Year's rung in Resolutions been made. But KidZONE, it's true- Was ahead of the game.

Way back in the spring,
Our minds went to work.
We need a new program,
With a bit of a quirk.

It had to be special,
And very unique.
But all our desires,
It had to exceed.

Bible'lly sound,
Understood with ease;
Upbeat and fun
And meaningful, please.

Verses for mem'ry
That apply to the lesson.
And we got it all,
With our Lord's special blessing.

Mega WOO HOO!!! Carol

Worship Area Leader

Hello everyone! This month we are asking the question, "Why join the worship team?" God calls us to use our gifts and talents for His glory. In Luke 19:40 it says "He answered, "I tell you, if these were silent, the very stones would cry out." We will not be silent! We are going to lift our voices, our hands, our hearts to heaven in praise and worship because He is worthy to be praised. God created us to worship Him alone! In 2019, we will be taking our next steps as a team to become better musicians and better worshippers. And that starts with a better understanding of who God is and his love for us. I am very excited for 2019 and what God is going to do here at CCC. He has HUGE plans for this church. We are still looking to grow our team, not just the music but our media and sound team as well. They all work hand in hand. If you feel God may be pushing you to take your next steps towards using your gifts, then please contact me at josh@gotochurst.com. I am very excited for the new year and for what God is going to do here at CCC!

LoveActs Area Leader

Hi Church!
I love Christmas for so many reasons – one of which is how excited people get to volunteer and serve others. As a church, we supplied over 250 warm holiday meals and soups in November, sent over 125 filled shoeboxes for Operation Christmas Child, and provided gifts to over 100 local elementary school kids in need. It is truly a blessed time of year as we marvel in God's love for us in sending His son to die on the cross for our sins. I hope you will continue how you are giving your time or items even after the holiday season. Why do the homeless matter? A basic belief of our church is that lost people matter to God, therefore, they matter to us. God's love doesn't discriminate – it doesn't prioritize. God puts it on our hearts to help and bless others as much as we can, our homeless ministry is one of the best ways we can do that. Prepare meals for homeless service on January 27th, or come out to join our team!
If you would like to join the LoveActs team, or if we can help your family, please contact me at 619-301-1968 or Nicole@gotochrist.com

Accounting Area Leader

Greetings! In the spirit of starting the New Year off with getting our lives organized, I am here to help! Do you know that there are several CCC "tools" available on our website? Just go to www.gotochrist.com and go to the "Ministries" tab, then select the "Volunteer" page. There you will find Serving Opportunities and access to a Spiritual Gifts assessment. Scroll down and you will see Team Schedules (for Kid Zone, Worship Support and the Usher/Welcoming Teams). And, if you scroll down just a tad more, you will see many of the CCC forms listed. For example, Check Request, Mileage Reimbursement and Scholarship Request Forms for events. There is so much to see on our beautiful website, these are just some of the administrative items that are there to help. If you have any questions, feel free to contact me at Kathi@gotochrist.com.

Deacons Area Leader

Dear church family, I hope all of you had a wonderful Christmas season full of love and joy but I know that for some of us, the holidays are hard. We get sick, or we're lonely or missing loved ones who are no longer with us. Thank God that we don't have to go through those tough times alone. Jesus promised that He would never leave us or forsake us. He also planted us in this church family where we can share each other's burdens. The book of Acts, talks about how the early church did life together, sharing meals, praying together and helping each other. Christ Community Church is a church that believes in the Acts chapter 2 model of doing life together. Just a few of the ways we do that include small groups, ministry teams, and the deacons/helping hands team that is always there to provide prayer and/or practical help in times of need. There is a great web site that we use to coordinate meals for families going through an event such as a hospital stay, etc. It is called TaketHEMEAL.com. This website makes it so easy to sign up and let us know when you want to bring a meal to someone who has a need. As the coordinator, I will send out an email when ever someone contacts me about needing meals. If you want me to add you to the email list, contact me at elleanorstiegriest09@gmail.com
