

LOVEACTS

2021 IMPACT REPORT

LoveActs is Christ Community's **strategic approach** to **reach people** with the Gospel, **serve the under-resourced** and **change the world**. LoveActs is a community of generously **sacrificial Christ followers** who are eager to **bring hope** and **healing** worldwide.

"Everyone deserves to hear the Gospel."

Through LoveActs, we partner with **missionaries** and **organizations** globally who are doing **strategic work** with those who need it the most. Locally, your support enables us to **share God's love** in tangible ways by **meeting the needs** of people in **communities** here in San Diego.

Simply put, **we care about the people and things God cares about.**
