## Key NOTE Speaker

**Tim Reed** has been a favorite of campers at Clydehurst for over 20 years. He has a real heart for mentoring the young and helping the hurting. He is a popular youth speaker, ministering to hundreds each year. Tim's dynamic style of communicating the Word, mixed with humor and unique visuals, will educate and motivate those who hear him. Tim has had the opportunity to travel and minister in 15 different countries; many of his trips have included taking groups of young people on service projects. He has shared the message of hope in almost every state in America. Tim has written many articles on youth ministry and leadership training and has been involved in equipping hundreds of youth workers nationally. Along with writing, teaching, and consulting, Tim continues to be actively involved in local church ministry. Tim and his wife, Dixie, have two children, Tara Miller and Timothy Justin.
