Are you looking for something for your children to do during the school holidays? Perhaps we have the solution. St Oswald's, in partnership with Boroondara Arts, will be offering the following programs to be presented by artist & clown Glenn Loughrey.

Mural4Reconciliation Garden (Ages 12-18)

For the young artists out there, here is a chance to work on a large 3-panel mural to go on public display in the Wominjeka Reconciliation Garden in Glen Iris. At the first session we will develop a design based on the words 'Voice', 'Treaty' and 'Truth' from the Statement of the Heart. You will then have the opportunity to complete the project over the school holidays. This is a wonderful opportunity for young artists to get involved in a real project. Indigenous artist Glenn Loughrey will guide the process but you will be responsible for the outcome.

Day & Time: Monday September 24 10.30-12

Cost: \$20

Piano Master Class (Ages 12 - 18)

Renowned pianist and organist Dr Calvin Bowman will take a masterclass for piano students aged between 12-18. It's a great opportunity for students to learn from one another and to gain further insight into repertoire being prepared for exams and recitals.

NOTE: Students are to submit expressions of interest and a repertoire list prior to the session by Friday 21st September.

Day & Time: Monday September 24 10.30 – 12

Cost: \$35.

Clowning4Life (Ages 5 - 12)

Have you always wanted to be a clown, juggle some balls, make balloon animals or simply make people laugh. Well, this program is for you. You will have a go at a lot of the things clowns do and learn to wear a big red nose. Making people laugh is a serious responsibility but if you don't try too hard, fall down a lot and smile really big you will get the hang of it. Glenn has been doing this stuff for a long time, but he is still tripping over his own feet (and others)!

Day & Time: Thursday September 27 10.30 – 12

Cost \$20

Art and Storytelling (Ages 5-12)

Aboriginal art takes many forms but its primary goal is storytelling. The stories told can be sacred but many simply tell the story of the land and its people. In this workshop we will explore how to tell our own stories and the stories of the places which are important to us by using techniques and practices we discover for ourselves by looking at examples of art provided by the artist.

Day & Time: Thursday October 4 10.30 – 12

Cost \$20
