

## Some graduate; others continue to train

*While 34 students recently graduated, some will continue linguistics training here and others will head out with future ministry in their hearts. Our remaining first-year students are in a module training for situations they might face in another country.*

*Please pray for the next generation of Believers obeying the Great Commission*

### Living Simply is...

...a great training ground for learning to live like most of the world does. For 2 weeks our students get hands-on experiences strengthening them for primitive lifestyles very far from their norm.

Jim and I have joined them, and we appreciate your prayers for us to hang in there! Stories to come!

**THE NEED IS STILL THERE**  
**WE THANK YOU** for your interest, prayers and support for God's work around the world. You are a major part of this ministry. Please pray for more laborers to join us.
