Dear Friends of Maranatha Bible Church

It's almost here! Thanksgiving all too quickly passes but consider with me, we need to make sure that it isn't just Turkey Day but it is a day of giving thanks. We need to remember to be thankful every day. The Bible says, in Psalms 68:19, "Blessed be the Lord who daily loadeth us with benefits, even the God of our salvation." The Psalmist reminds us that the Lord is our benefactor. He has promised each one who knows us as Savior that He will bless them. His mercies are so great that He blesses those who do not believe in Him.

His mercies are new every morning no matter whether we choose to live for him or not. What are some of those mercies? We have health, strength, food to eat, families to share this blessed day with and the list can continue on and on.

What has happened to us as a people? Have our attitudes and outlooks become so centered self that we have difficulty even remembering to say thanks? In this ministry, we remind the children that even the birds with their little brain, each time when they drink must raise their beaks towards heaven as though acknowledging the Heavenly Father. Every drink of water, every morsel of food, even the little tiny rocks for their gizzard that helps digest their food is a gift from above. "Every good and perfect gift comes down from the Father of lights."

May each one of us be reminded daily, that just as the birds are grateful, we too must be thankful. We praise our Lord for each of you who remember us in this ministry. Chapels have been on going and our new location is doing well. We will be beginning work on the summer's VBS soon. Lighthouse Baptist Kid's Club in Anamosa is continuing and we are thankful for the children who are participating. They are practicing for a Christmas program centered on the Wordless Book. We are praying for more children to become involved. Thank you so much for the privilege of being able to serve. There have been three children make decisions for Jesus. The church is raising money for the van which will facilitate more coming. Your gift means so much to us as we seek to follow the Lord in reaching more and more children.
