## VOLUNTEER

## Spotlight

### **Volunteer Spotlight: Mother-Daughter Servants**

November's **Volunteer Spotlight** recognizes the hard work of April and Anna Bennett. This mother-daughter duo has been volunteering at Bridgehaven for more than three years. Looking for different ways to serve with a ministry, the Bennetts came to know Bridgehaven through Crosslife Community Church.

"We were impressed with how Bridgehaven provided teaching and tangible resources for families to take care of their children. We wanted to be a part of that," says April. Their warm and kindhearted approach to every interaction is a bright spot for clients and staff alike on Monday nights. "I like being able to meet the clients and talk with them," says Anna. "Serving with Bridgehaven has challenged us to give more and love like Jesus."

A verse that speaks to April and Anna is Matthew 25:40, which says "The King will reply, 'Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.'"

Thank you, April and Anna, for all you do!

## **Day Of Giving Will Be December 3**

GivingTuesday is a global generosity movement unleashing the power of people and organizations to transform their communities and the world. We know that God is the orchestrator and master of all change, and we we invite you to prayerfully consider influencing change in your community through a year-end financial gift to Bridgehaven.

Join with our mission to "Share the Father's love" this Christmas season. We aim to see all babies born into healthy families, and your generosity can help us reach that call right here in Cedar Rapids. More details will unfold next week with ways to give and a feature story of one of our clients and his daughter. Please watch your email, check social media, and pray that the ministry would receive sufficient funds to continue offering free services and programs for our clients and families. Together, we can make a difference for life in our community.

### **Openings On Our Team Indicate Growth**

We currently have open positions on our staff. This is exciting, as it indicates growth in our organization. Would you please join us in prayer for these roles, and share with your friends who may be prayerfully considering what the Lord may have for them in ministry?

We are seeking qualified admin and marketing professionals to help us with day-to-day operations of the ministry. See the link below for detailed job descriptions and contact information for each position.
