

# *Eipperle Family*

Our final days in Ukraine have been very hectic. Thank you for praying. Every day several things are accomplished. When we first arrived in Ukraine it was a miracle to even get one thing accomplished. Just buying food (or attempting to buy food) was a big accomplishment in those days. A lot has changed. Now the hard part is deciding which supermarket or restaurant to go to.

There is another thing, or should I say two things that we are having a hard time accomplishing. We have yet to find new owners for the vans we have. Many people have looked or intended to buy but we are still searching for homes for them. Please pray about this for us.

We fly to America in 30 days. If you have not scheduled time for us to come visit you or your church; please do so. We would love to see you and tell you about our new ministry with [Operation World](#).
