

Merry Christmas & Happy New Year

theodore (1)

THANK YOU!

Since Emmerie and I have been married we have known God's mercy through friendships, family, churches and supporters. We couldn't church plant, pastor or be missionaries in Las Vegas without you! We wouldn't be the people we are without you. I wish I could sit in front of each of you and tell you the blessing you have to us. Thank you so much!

FAMILY

Matthew - Many friends have moved away and our church family looks different in the wake of people coming and going. Jesus has been a rock to our family.

Emmerie - We had the amazing opportunity to go to South Carolina for a marriage conference. Our family has changed with Theodore, but we have grown together.

Camille - She loved playing soccer and making new friends on her team.

Mercy - Loves being a big sister to Theodore! Mercy says it has been hard to sleep since Theodore has been born. She went to camp at Cedar Mountain Retreat for the first time last summer.

Oakland - Played soccer for the first time. He did a great job learning a new sport. He loves his family and he said, "I struggle with getting along with my siblings" but he has servant's heart.

Brielle - She has a large vocabulary and uses it frequently. She is a ball of snuggles, love and passion. Brielle made the choice at the end of the year to trust Jesus to save her.

Theodore - He is happy, determined and finding his voice. With an increase in size he is starting to figure out how to walk and feed himself. He is well loved by the whole family.

CHURCH PLANT

Highlights -

- I was better equipped to lead prayer at our church through a prayer summit in Flagstaff.
- 4 men from East Valley attended a prayer conference. Great fellowship! Great time catching the vision of being a church of prayer!
- I was honored to baptize Jake just before his family moved away from Las Vegas. He is a friend and a man I led to Jesus a couple years ago.
- Emmerie and I facilitated marriage counseling for friends who made the promise of marriage.

Goals -

- We are building a culture in our church of invitation to invite new people to church.
- We are investing into men who will take the position of leaders and elders.
- We are looking to move into a new building. We are in need of more space and a better atmosphere.
