

THE PIEPER'S PERSPECTIVE (APRIL 2018)

We have been working at East IA Bible Camp since October of 2013. We worked part-time at first and then in January 2015 we believed our Lord was directing us to stay home from the mission field in Mozambique, Africa and to live permanently in Iowa. The rest is history.

God is good and has provided for us as we have served Him. We have been blessed in many ways by the faithful giving of all of you who have become financial and prayer partners with us and the ministries we have been associated with since 2006. As we look forward to the coming of another summer camp season at EIBC,

we confidently move forward as the Lord reveals what He has instore for us. Already we can feel the excitement of the campers as they arrive at camp for **1 whole week** of adventure and fun.

Please pray with us that the children and adolescents will come to camp with open yearning hearts and the burning desire to grow closer to Jesus our Savior through reading His Word and singing His praises. Also pray that the guest speakers and missionaries will be properly equipped by Him to deliver powerful messages to the campers and that these messages will act as a bridge to salvation and a commitment of their lives to serve Him.

This year our overall central theme is **illuminate**: to supply with light, made bright by the reflection of light. John 1:5 says, "The light shines in the darkness, and the darkness has not overcome it." This summer at EIBC, we will open God's Word to make sense of the dark and difficult world we live in. **The good news is darkness has no power over light.** Just as a single candle can overcome a room filled with darkness so also **the powers of darkness are overcome by Christ's finished work on the cross!** Don't miss this opportunity as we share the light of God's salvation to kids of all ages.

THE PIEPER'S PERSPECTIVE (APRIL 2018)

WHAT'S HAPPENING AT CAMP??

OUT WITH THE OLD-IN WITH THE NEW

This week we moved out the old staff housing (a gently used outdated mobile home) and are currently building a 5+ bedroom multilevel home located closer to our lake for the associate director and family. A June 1st occupancy date has tentatively been set as Summer Camp begins on June 4, 2018. This house has been built by staff and volunteer labor, so if you have 2-3 hours of free time, please give Andy a call at 319-655-7693.

A NEW MEMBER OF OUR EIBC TEAM

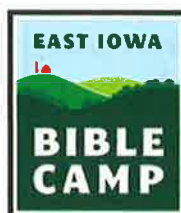

At EIBC we have a small fleet of golf carts making our staff more mobile and giving us the ability to get from point A to B in a flash; however, the nursing staff has not had that flexibility until now. Hearing about our tremendous need, in November, Maranatha Bible Church Cedar Rapids, IA held a Penny Pinching Fashion Show as a money making event whereby ½ of the proceeds would be donated to EIBC on the Pieper's behalf.

God is good! Last week with the proceeds from the Penny Pinching Fashion Show, Andy purchased a used golf cart similar to the above photo to be solely used by the nursing staff at EIBC. Thank you one and all at Maranatha Bible Church for this timely donation.

Here at EIBC we covet your daily prayers.
Allowing His unending Grace and Mercy to cover us
