

Christmas 2018

Greetings from the Carolinas.

Our Grand-daughter Olivia had her 3rd birthday on December 7th. She now knows all about birthdays, balloons, cakes, parties, and presents.

So as we talk about Christmas her eyes are all aglow. Will we have a party with balloons for baby Jesus? Will there be cake?

What can she give baby Jesus for his birthday? We all know the answer to that question. Her heart.

Our hearts have been broken several times as long time friends were called home this year. Oh we don't regret that they are in Heaven. We just miss the fellowship. Pray for their love ones left behind.

Our hearts rejoice as we handed out over 300 "4 Spiritual laws Booklets" during our craft fairs. Pray that the word of God will not go out void.

There are still millions of folks who have never heard the Christmas story. Pray for more workers willing to go and share the Gospel. It has become harder and harder to get in to some countries.

In China the church is growing under great persecution. House Churches and those attending must be registered with the government. And now they are installing cameras in the churches to watch what they do. Pray for boldness.

There is no place on earth where the gospel flourishes today that was not once held in darkness. These place received a message and believed.

"DO NOT BE AFRAID, I BRING YOU GOOD NEWS OF GREAT JOY THAT WILL BE FOR ALL THE PEOPLE. TODAY IN THE TOWN OF DAVID A SAVIOR HAS BEEN BORN TO YOU; HE IS CHRIST THE LORD. Luke 2.

We thank you for your heart to first love the Lord and to pray and share with us so that we can tell the world of God's love.

One day we will all be gather for a great party and worship the King. Will there be balloons? I don't know but there will be people from all nations, and angels sing Hallelujah with us.

*Have a Christ filled Christmas
& a Blessed 2019*
