

We Praise God, and thank you for your faithfulness to us and missions.

We were a part of “Bloom-fest” a big event for our city to welcome spring. It’s open to local crafters and they like us with our hand-woven rugs. The park was packed for 4 hours. We talked to so many people that we lost our voices. We handed out all “The Four Spiritual Laws” booklets that we had. Please pray for those we talked with and those who received the booklets to accept Jesus. Our next one will be a Summer fest. J

A mission group went to Ecuador and took 75 pillow cases that I made. A friend machine-embroidered “Jesus te ama” “Jesus loves you” on them. And now a group is going to Peru to help with the magnitude 8 earthquake of 5/26. They will take as many as I can get done before they leave. J

Our real work is at the SIM HQ. We are reminded daily “this is a battlefield, not a playground”. God is working around the world and we get to help. We have monthly deadlines to meet. And most of Jack’s work is to help keep the programs up to date so that we can enter the information. Pray we will remain strong and do His work. We pray the same for you.

Keep on for Jesus
Louanne & Jack
