

# ST MARK'S UNITED METHODIST CHURCH

NEWSLETTER • FEBRUARY 2023 • VOL. 21, NO. 2

## -A Valentine's Day Love Letter-

February 14th is the day the world celebrates Valentine's Day. Commercially it is one of the biggest days of the year for card, flower, candy and jewelry sales. As a way of showing our expressions of love and affection, just in the U.S. alone, we spent, according to one survey an estimated **23.9 billion** dollars in 2022.

From all indications of sales, 2023 is to be a banner year!

Many Valentine Cards we will send this year will end with short phrases, such as, "You are my Valentine! Be Mine!

-Signed-Your Valentine!"

There's a story told long ago of a boy sitting in class the week before V Day. The teacher said, "Now one week from today class we will have a Valentine's Day Party and card exchange." "Oh! Boy!" he thought with excitement. "I can't wait to see all the cards I will be getting!"

Just before dismissal for the day, the teacher handed out a list of each student's name. As she handed out the list, the good teacher said, "No one should be left out of the Valentine Party! Everyone needs to be loved and cared about!"

Bursting with joy, the little boy went home and began filling out his Valentine cards right away from the list he had received. While some of the cards were easy to fill out, others not so much. You see, there were a few of his classmates he had had run-ins with the week before. He didn't necessarily feel like giving them a card. So, he skipped over the names of the ones he didn't like very much. "They don't deserve a card!" he said to himself. "Why should I act like I care about them when they hurt me so?"

As soon as he said these words to himself, he remembered the kind and wise words of his teacher. "Everyone needs to be loved and cared about!" And so, as the legend goes, he went back and signed the names of all his classmates so that all would experience love and care from him.

What a wonderful story. It is also a reminder that you and I have the Greatest Teacher of All who continuously offers wise and loving counsel. Our Valentine? Our Lord. Our God. The bible is referred to as God's love letter to you and me. It is a love letter to all people, those that praise his name, even those that deny his existence, mock and curse him. All people need to experience love and care. Deserved or not! Here are just a few bible verses that remind us of God's of love:

### **Romans 5:8**

But God shows his love for us in that while we were still sinners, Christ died for us.

### **John 3:16**

"For God so loved the world, that he gave his only Son, that whoever believes in him should not perish but have eternal life.

## 1 John 4:8

Anyone who does not love does not know God, because God is love.

## Matthew 5:43-48

"You have heard that it was said, 'You shall love your neighbor and hate your enemy.' But I say to you, Love your enemies and pray for those who persecute you, so that you may be sons of your Father who is in heaven. For he makes his sun rise on the evil and on the good, and sends rain on the just and on the unjust. For if you love those who love you, what reward do you have? Do not even the tax collectors do the same? And if you greet only your brothers, what more are you doing than others? Do not even the Gentiles do the same? ...

We are given the gift of God's eternal love. And we don't deserve it. God gives it freely anyway. So may we!

Happy Valentine's Day,  
With love,

*Pastor Terry*

## LAY LEADER'S CORNER FROM YOUR LAY LEADER, SUSAN WAGNER: A UNITED METHODIST ... IS CONNECTED

It was John Wesley himself, the founder of the Methodist movement, who first organized his followers into a connection. From its earliest days, when Societies became too large and Classes were formed (small groups that met weekly for Bible study), Wesley organized Circuits (clusters of Societies) and created superintendents to supervise them. Ever since, The United Methodist Church has proudly called themselves a connectional church. But what else does "connectional" mean? What does that look like? How does it impact you?

The connection means every church has a pastor, and every pastor has a church. It means every United Methodist church around the world is connected to every other United Methodist church. Together – connected – we do more for the Kingdom of God.

One way United Methodists do more together is through a system of connectional giv-

ing known as **apportionments**. Apportionments provide for us avenues for giving in order that we not only can be strong local churches and annual conferences, but that we can be connected together, seeking to be in mission together, seeking to be God's people at home and around the world.

Apportionments are called the "first mile" of mission giving. Based on formulas developed by their annual conferences, every church is apportioned to ensure that each is contributing its fair share to support mission and ministry around the world. This year we will highlight the various apportionments that we support as United Methodists. Look for these highlights in newsletters to come

I encourage you to pray for our church, our Pastor and our ministries. Seek me out if you have questions, concerns or suggestions of how we as the body of Christ can be as effective as possible in serving Christ and making disciples.

## PRAYER CHAIN

Did you know that we have prayer warriors behind the scenes praying for our church family and their friends and family. We also pray for ministries and situations. This is done via e-mail. If you would like to be one of our prayer warriors, contact Susan Wagner at [susanbwagner59@gmail.com](mailto:susanbwagner59@gmail.com).

## PRAYER CONCERNS

We lift up these concerns to you, Lord. Send us your healing, comfort and peace!

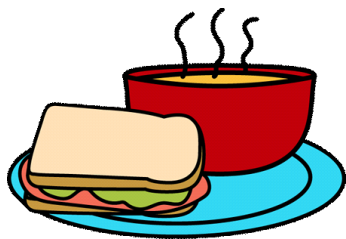

- ♦ All those dealing with life changing circumstances
- ♦ All of those dealing with natural disasters
- ♦ All of those suffering grief over loss of any kind. Including the family of Fred Steffey.
- ♦ Our youth and the adults who are working with them to prepare for Confirmation.

## GRIEF SHARE

GriefShare will begin its spring season on **March 2, 2023** with a morning session @ 10:00 and an evening session @ 6:30. Anyone who has lost a loved one is welcome to join us for this very helpful program that uses video, workbook and group discussion to help us move forward with God's healing and hope. For more information or registration contact the church office or Peggy Lootens @ [ploo1010@comcast.net](mailto:ploo1010@comcast.net).

## SOUPER BOWL SUNDAY

The **TAME Ministry** will sponsor a "Souper Bowl" Soup Luncheon on **Sunday, February 12th** immediately following the 11:00 Service in the Family Life Center. Donations for lunch will benefit the TAME Ministry's "Rise Against Hunger" Meal Packing in September. Chicken Salad, Pimento Cheese and PBJs and chips and crackers will be served as well. There will also be a bake sale sponsored by the Children's Ministry Department.

## SHEPHERDING TEAM UPDATE

We had an exciting team get together in January to kick off our 2023 ministry of visits, cards and calls with those who haven't been able to join us in person. We would also be glad to bring communion to anyone who would like to participate in this sacrament but cannot get to church to receive it. We would welcome anyone who wants to join us. We also would like your suggestions. Let us know of anyone in our church family who you have been missing and might benefit from this outreach. Call or e-mail Peggy Lootens @ (276-759-1485) (plo01010@comcast.net) or the church office.

Thank you and God bless us all.

## LOA DINER'S CLUB

LOA's Diner's Club meeting will be held Tuesday, **February 7th, at 11 am.** If you know any other senior 60 or older, who might like to socialize, have a good meal and learn important information about aging, please have him/her call Brenda Willis at 309-9898 to inquire about joining the group.

## WOMEN'S BIBLE STUDY

The Spring Study begins on Tuesday, **March 7 at 10:00 am** in the large meeting room downstairs. Our study will be Twelve Women of the Bible: Life-Changing Stories for Women Today. Their stories are not fairytales, their road was not easy, and their examples are not perfect. They lived in times and places quite different than ours. Yet they hold up a mirror to our

souls that can help us better understand our own story. And in doing so, we find freedom to come to God as we are, with total transparency.

In this twelve-session small group journey we will meet a group of women in the Bible whose lives teach us about ourselves and about who God is. We will open ourselves to the raw and revealing stories of frailties, struggles, brokenness, and victories of real women from both the Old and New Testaments.

If you would like to be a part of this study, contact Susan Wagner: susanbwagner59@gmail.com

## CALLING ST. MARK'S LADIES

In 2014 St. Mark's members formed a committee of ladies who oversaw the new Family Life Center kitchen and the Fellowship Hall kitchen.

The group decided our name was **KITCHEN AIDES**

The mission was to oversee the two kitchens use; decide on what the kitchens needed; follow up after usage, cleaning, and organizing of the two kitchens.

This group dissolved after a few years and the Covid shut down.

With the kitchens being used more and more, Pastor Terry has approved the reimplementation of **KITCHEN AIDES**

If you are interested in learning more about this group and would want to join other ladies to help oversee the kitchens, please sign up in the Narthex or contact Barbara Wiley, phone: 540-992-4033 or e mail: Barbara.wiley12@gmail.com.

We will have an organizational meeting in February.

The St. Mark's Men's Fellowship will meet Monday, **February 13 at 7 pm.** We will continue our study of Romans concentrating on chapters 6 and 7.

## UWF NEWS

On Monday, January 09, we kicked off our New Year with our Annual *A Call to Prayer and Self-Denial* program. This year we focused on supporting the ongoing racial justice work of United Women in Faith emphasizing that we are ALL Children of God. We began our meeting at 11 am in the Fellowship Hall with the Program and received our *Call to Prayer Offering*. Following the program we enjoyed lunch together and concluded with our Business Meeting.

LOOKING TO FEBRUARY . . . ❤️

**MONDAY, FEBRUARY 13 -- 11 am:** NO cupid shooting arrows yet! But wear something bright -- reds and pinks and hearts -- on the day before Valentine's Day. Our February program will begin at 11 am in the Fellowship Hall. As we continue into 2023, we rebuild stronger relationships with ourselves, with God, with our loved ones and with our United Women in Faith sisters. We live in times of change and diverse challenges that have fractured many of our relationships. Together we will work to reclaim and explore our identity as Beloved Children of God.

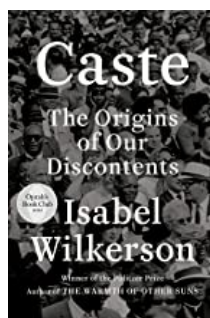

Remember to bring your own lunch, snack and beverage that we will enjoy together following the program. We will conclude with our Business Meeting.

As always, ALL Ladies are invited to join us!

## THE UMW READING PROGRAM

The organization of the United Women in Faith advocates for and encourages life-long learning. One way to accomplish this is to read books included in their reading program. When you explore the UWF Reading Program shelves in our library, you will find books within the categories of leadership development, spiritual growth, social action, education for mission and nurturing

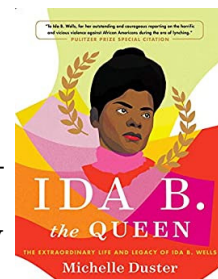

community. Genres include biographies, autobiographies, and historical fiction. All members of the congregation are invited to check out books from the UWF Reading Program shelves. Any questions, feel free to contact Linda Koloda (992-2744). Check out these new books:

**Caste: The Origins Of Our Discontents** In this brilliant book, Isabel Wilkerson gives us a masterful portrait of an unseen phenomenon in America as she explores, through an immersive, deeply researched narrative and stories about real people, how America today and throughout its history has been shaped by a

hidden caste system. Linking the caste systems of America, India, and Nazi Germany, Wilkerson explores eight pillars that underlie caste systems across civilizations, including divine will, bloodlines, stigma, and more. Using riveting stories about people—including Martin Luther King Jr.—she shows the ways the insidious undertow of caste is experienced every day, ultimately pointing to ways America can move beyond the artificial and destructive separations of human divisions toward hope. *Social Action BONUS Hard Copy and CD*

## **Ida B. the Queen: The Extraordinary Life and Legacy of Ida B. Wells**

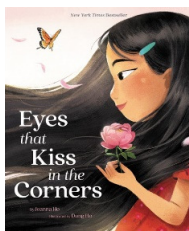

Journalist. Suffragist. Antilynching crusader. In 1862, Ida B. Wells was born enslaved in Holly Springs, Mississippi. In 2020, she awarded a Pulitzer Prize. *Ida B. the Queen* tells the awe-inspiring story of a pioneering woman who was often overlooked and underestimated—a woman who refused to exit a train car meant for white passengers; a woman who brought to light the horrors of lynching in America; and a woman who co-founded the NAACP. Written by Wells' great-granddaughter Michelle Duster, it is a unique visual celebration of Wells' life, and of the Black experience. *Leadership - Hard Copy & CD*

**The Book Woman of Troublesome Creek** Inspired by the true blue-skinned people of Kentucky and the dedicated Kentucky Pack Horse library service of the 1930s, this best-selling

historical novel follows packhorse librarian Cussy Mary Carter and her quest to bring books to Troublesome Creek. The last of her kind, her skin a shade of blue unlike most anyone else, Cussy has to confront prejudice as old as the Appalachians and suspicion as deep as the holler to bring the joy of books to the hill folks. The Book Woman of Troublesome Creek is a story of raw courage, fierce strength, and one woman's belief that books can carry us anywhere—even back home. *Mission Education* - Hard Copy and CD

**Eyes That Kiss in the Corners** A celebration of diversity, this lyrical, stunning picture book tells a story about learning to love and celebrate your Asian-shaped eyes. A young Asian girl notices her eyes look different from those of her peers and realizes her eyes are like her mother's, her grandmother's, and her little sister's eyes. They have eyes that kiss in the corners and glow like warm tea, crinkle into crescent moons, and are filled with stories of the past and hope for the future. Drawing from the strength of these powerful women in her life, she recognizes her own beauty and discovers a path to self-love and empowerment. *Nurturing* Hard Copy Children's Section

## BACKPACK BUDDIES

As part of our Backpack Buddies mission, St. Mark's will again be teaming with 4 local churches to provide weekend meals for 22 students at Greenfield Elementary School. Over 12 million children in the United States live in food insecure households, many relying on school lunch as their sole stable source of nutrition, which they won't be receiving on the weekend. This semester our church will be packing meals during the weeks of February 6, 13, and 20. Please consider taking one or more tabs from the board in the Narthex and returning the items by Sunday, February 5. Please keep these local children enrolled in Backpack Buddies in your thoughts and prayers. Thank you!
