

ST MARK'S UNITED METHODIST CHURCH

NEWSLETTER ♦ MAY 2018 ♦ VOL. 16, NO. 5

My St. Mark's family-

As Freeman Teagues Jr. once said, "Nothing is so simple that it cannot be misunderstood." Communication is something that every person, every family, and every organization needs to constantly work on- and the church is no exception!

As St. Mark's continues to grow, we'll be actively working on communication. Within the next few weeks, we will be starting a weekly email update to the congregation with announcements and important dates. This will serve as a good reminder of church events; and if you miss a Sunday, you'll still get the announcements that had been in the bulletin.

We are also in the process of forming a Communications & Outreach team. This ministry will not only focus on communications within the church, but also how we reach out to let our community know about the activities and ministries at St. Mark's. If you would like to learn more about this new team or help-out, please contact Erin Huddleston at stmarkserinh@gmail.com.

Strength and Wisdom,
Pastor Justin

LAITY

CORNER

Did you know that from 35,000 feet in the air, looking down on a thunder storm, a rainbow appears as a complete circle? The arc we see from the ground is actually only part of the rainbow, interrupted by the earth itself. God sees the beautiful harmony of colors from a different perspective than we do.

We often see the differences in people as negative disunity, fractured by the concerns of this world. I wonder if God sees the differences of His children as beautiful harmony, a circle that becomes something better when we work together.

It's just a thought.

Yours in Christ,

Peggy Lootens, Lay Leader

ST. MARK'S TASK FORCE REPORT FOR APRIL

Our Preschool/Daycare Task Force has been busy! Many will recall that in March St. Mark's, via Church Conference, formed a task force ". . . for the prayerful consideration of the possibility of establishing a preschool/daycare at the church. . . The task force is charged with delivering their findings and recommendation to the Administrative Council within 30 days." Given the imminent nature of the Prince and Princess closure, one of our group's first actions was to consider a gift of commercial quality playground equipment offered to the church. We reviewed the equipment and playground safety standards and recommended to Council and the Trustees that the equipment be obtained by the church and stored off campus until an installation site recommendation can be discerned. Council and the Trustees agreed to accept the donation, which consists of a slide/climbing structure, a swing structure, and plenty of plastic playground barriers (useful in keeping a safe mulch base in place). The donation has been secured and is currently being stored with permission at a member's property (thanks to all involved!). The 30 days in our original charge ended recently with the requested report to Council. The report showed how our eight-member Task Force has been hard at work in our efforts to carry out the charge. We have discussed our task and created an outline to follow as we pro-

ceed. We are currently in the information gathering stage, collecting as much as we can that seems pertinent. This includes information from the UMC, information about local child care facilities, and information about our own facility here at St. Marks. We will need, we decided, to spend more time to digest and distill all of this information to decide what is useful in regard to the current operations at St. Mark's before we can make a final recommendation. Therefore, we requested that the Council give us the charge to continue until we can present a comprehensive recommendation about what it will take to establish good quality Christian Child Care without adversely impacting the other activities and ministries in the church. We plan to provide the Council with another update of our progress by September.

We are happy that the Council voted to give us the new charge, so the work will continue. We ask for your support by continuing to make suggestions to our group via e-mail, (stmarkstaskforce@aol.com) and to keep us in your prayers.

Co-chairs: Peggy Lootens, Lay Leader and Chad Morris, chair of the Ad. Council

A support group for 5th - 12th grades, along with moms and ladies to 120 will have an Awareness/Self Defense class on May 20, from 12:15-2:00 pm, in the FLC. St. Marks United Methodist Women will meet Monday evening, **May 14th** at 7 pm in the fellowship hall. Peggy Lootens, our St. Mark's

Lay Leader, will lead our program on the governing organization of the United Methodist Church, and specifically what that looks like at St. Mark's. The program will include our committees, who serves on each of them and what the tasks are of each group.

As St. Mark's continues as a growing and thriving church family, there are often questions about how things are decided and carried out. The program will look to answer those questions and help communicate how the caring courageous disciples at St. Mark's implement God's mission for us here in Daleville. A Question & Answer time will follow.

Following the program, we will have a short business meeting along with refreshments.

LADIES – please join us as we endeavor to carry on the work of Missions outside the walls of St. Mark's.

KITS FOR CONFERENCE

Each year, United Methodist churches are encouraged to gather items for KITS that we take to Annual Conference in June. This year our Virginia Annual Conference will be held on June 15-17, at the Hampton Roads Convention Center in Hampton, Virginia. Our KITS, along with those from across the state, will then be trucked to the United Methodist Committee on Relief (UMCOR) Sager Brown Depot in Baldwin, Louisiana.

There are several KITS that can be made. This year, UMCOR is specifically asking for School and Health (Hygiene) KITS.

For many years, St. Mark's has placed a special emphasis on SCHOOL KITS to benefit children in other countries – and those here in our states affected by disasters -- who have no books or school supplies. Members of our United Methodist Women and friends are working to make the tote bags and have also collected items to fill the bags.

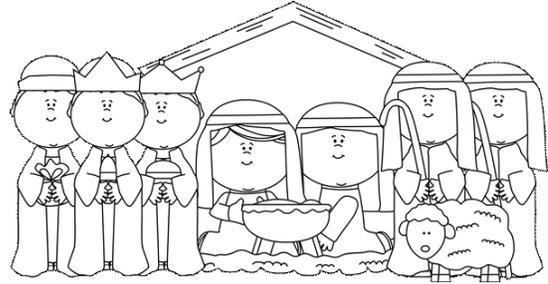

If you would like to help by providing items or making your own KITS – especially HEALTH KITS -- we welcome them! Financial support is also appreciated to help UMCOR with the shipping of these KITS. Checks may be written to St. Mark's United Methodist Women.

Questions about the KITS or supplies: Please see or call Nancy Hamblin (992-5505) or Mona Tolley (992-3496).

All KITS must be returned to Church **no later than Sunday, June 10** -- as we have to get them counted, packed, and ready to go.

THANK YOU for being a part of this great and global ministry!

** An Information Sheet listing all the items needed for the School and Health KITS is available on the table in the Narthex. All items included in the KITS must be new and must contain only the items listed. **

42ND ANNUAL CHRISTMAS FAIR

December 1, 2018

New TEAM MEMBERS Wanted

St. Mark's Christmas Fair has been a wonderful extension of our Church family to raise funds for many different projects. Over the many, many years (coming up on 42!), our Fair has raised funds for many different projects. We made many payments on the original building, pledged and paid on the Family Life Center, paid for parsonage repairs, church furnishings, and so much more!

We have a wonderful team that pulls it all together but we are few in number. As many hands are needed to make each year a success, we are always looking for volunteers to help us in many different capacities. **DO NOT BE AFRAID** -- we are not going to drop the whole thing in your lap! But we would love to have some "new trainees"! Our Team works together very well and we do enjoy the work – and we would love for new faces to join us !

We know it is May, but we start early – so please think about it and let us know if you might be interested. We would be happy to talk with you and let you know what we do and what areas you might be interested in.

Please contact Nancy Hamblin (992-5505) or Mona Tolley (992-3496) for more details.
