Welcome, friends!

We're grateful you're here today as we observe **Sanctity of Human Life Sunday**, a day to affirm that every life is precious to God from conception to life's final breath. What a comfort to know His love does not depend on our strength or ability, but on His gracious heart. We see this love most clearly at the Cross: "For God so loved the world..."

We continue our sermon series, **A LAMP UNTO MY FEET**, reflecting on Jesus as the Light, "which lighteth every man." He has placed within every heart a witness, a light that points us toward Him, and when we follow that Light, we find life, hope, and salvation.
