

# TITHES & OFFERINGS at Brushy Creek

We now have more ways to give to Brushy Creek than ever before. But how you give can make a difference on how much money the church actually receives.

**DIRECT GIVING:** When you give Brushy Creek a check, or cash, the church receives 100% of what you give.

**AUTOMATIC BILL PAY:** When you set up automatic withdrawals from your personal account through your bank's website, like paying a monthly bill, Brushy Creek receives 100% of what you give.

**DIGITAL GIVING:** When you give to Brushy Creek through our website or app, Pushpay keeps almost 3% of what you give, and Brushy Creek gets the remaining 97% of your donation. If this is the most convenient way for you to give, please keep using it! We set these systems up for your convenience.
