This study sets aside the hype and myths and digs into the Scriptures to discover what God actually wants us to know about the afterlife. Most importantly, it shows why our understanding of Heaven matters in this life. What we believe about Heaven actually affects us today in ways we may not have imagined. What is Discipleship University?

Discipleship University is the discipleship ministry here at Rusk First Baptist Church. The goal of discipleship is to gradually become more like Jesus within a small group of believers in order to reach out to others with the gospel. By interacting with other believers in a setting where there is fellowship around the Bible, the heart and actions of the believer can be conformed to the heart and actions of God.

All of the classes offered through Discipleship University are aimed at equipping people with what they need in order to read the Bible, understand the Bible, apply the Bible, explain the Bible, and be transformed by the Spirit through the Bible. In every class, the goal is to understand how the Bible is God's sufficient and final word of authority, application, and direction in every area of life and ministry. Will you join us by selecting a class and committing to attend for the next six weeks? Let's do life together, grow together in the Word, and impact the world together!
