Developing Godly Leaders

2 Timothy 3:10-15

January 11, 2026

REVIEW

1. How would you summarize Paul's concern for Timothy in your own words?
2. For context read 2 Timothy 3:1-9. What stands out to you about the type of leaders that Timothy was to live in stark contrast to?

ASSESS

3. The Lord provides all we need to work out our faith in community. Describe how you have observed a good example of one of the seven characteristics under Point 1 B.
4. Why must the church and her leaders always be ready for difficulty to arise in the congregation?

5. It has been said, "The best defense is a good offense!" Evaluate our congregation in the points under Proclaiming the Christ-Centered Gospel? How can we be more effective in 2026?
6. How does it help to know that the more closely we follow Christ, the more likely we will encounter opposition and persecution?

APPLY

7. Paul held "clearly defined priorities" that kept him on mission for Christ. What is my next move to pursue Christ more intentionally in this New Year?
8. What is my plan to help _____ (name) follow Jesus better?
 - Where do I want them to be in 1 year?
 - What can I do this month to encourage/help them?
 - What can I do right now to move toward that goal?
