Question 46

What is the Lord's Supper?

Christ commanded all Christians to eat bread and to drink from the cup in thankful remembrance of him and his death. The Lord's Supper is a celebration of the presence of God in our midst; bringing us into communion with God and with one another; feeding and nourishing our souls. It also anticipates the day when we will eat and drink with Christ in his Father's kingdom.

6. Why would the greatness of our salvation be undermined if we took lightly the hard truths of verses 1-3?

REVIEW

1. How does the Apostle Paul graphically describe those who have not yet come all the way to faith in Christ alone for their salvation?
2. How does the apostle's description compare with your experience before you became a Christian?

ASSESS

3. How do you think most unbelievers today would respond to Paul's description of the nonbeliever?
4. Describe the conflict that happens when believers attempt to show nonbelievers the seriousness of their lost condition.
5. Why is our lost condition depicted as "slavery" more than just wrestling with a few occasional sins?

APPLY

7. Have you ever really appreciated that, by nature, all your abilities and achievements deserved "wrath" before you came to faith in Christ?
What difference does accepting this truth make to your view of God?
8. Read John 3:19-21 and Matthew 5:16. Shining the light will bring about gospel conflict. One way that I will let my light shine more brightly this week is...
